Hi,

I object to the fact that so many new flats are going to be built in Colliers Wood.

We do not have the infrastructure to deal with so many people.

How are we going to provide enough GPs, schools, shops, etc.?

I oppose the building of these flats.

Kind regards

I would like to formally submit my objection to any more high rises in Colliers Wood.
This would be a serious detriment to the area both visually and in terms of infrastructure.
Colliers Wood already has too many unsightly towers and we don't need anymore.
There is not the infrastructure such as shops, schools, doctors, dentists etc. to support more flats.
Kind regards
