For your records another objection.

I should get through the last of these today.

Dear [REDACTED] and [REDACTED],

We are writing on behalf of [REDACTED], [REDACTED], [REDACTED] and [REDACTED].

My husband [REDACTED] and I, [REDACTED] are lessees of the 2 properties and we have long term tenants living there. We permanently reside at [REDACTED].

We understand that light to the properties will be obstructed due to the development and there will also be lot of disruption. This is a serious concern especially with regards to the natural light. Our tenants are not happy about this either. Due to this we would need to object. We like to understand more about the proposed construction and make an informed decision. Please furnish more details.

We would also like an electronic redacted copy of the order and map sent to us please.

If there are any questions, please call on [REDACTED].

Many thanks,

[REDACTED]
