Councillor Stephen Alambritis, Cabinet Member for Transport

**Date of Decision**

**Date report made available to decision maker**

13<sup>th</sup> February 2024

**Decision**

I approve the implementation of the proposed improvements as set out on the plan in officer's report

**Reason for decision**

To improve safety at the junction - reduce speed of traffic at the junction; reduce the crossing distance for pedestrians and making the crossing DDA compliant.

**Alternative options considered and why rejected**

Not to proceed with the improvements. This will do nothing to reduce risk to road users, more specifically pedestrians and cyclists; it will do nothing to slow traffic when entering the junction and will not safeguard pedestrians crossing the road.
