Dear Resident,

Proposed waiting restrictions (double yellow lines) Westcroft Gardens – statutory consultation

The Council has received complaints of missed refuse collection in Meretune Court, Westcroft Gardens. The issue is the parking directly opposite the entrance to the court which is blocking the ability of the refuse collection vehicles to turn in and out the small road. The collections vehicles are large and need a big turning area. With cars parked opposite the driveway the refuse vehicles are unable to get the required turn that they need to enter and exit the entrance. In response to these complaints the Council is proposing to introduce waiting restrictions (double yellow lines) to address obstructive parking and assist with movement of traffic.

Please see the attached plan, overleaf, to illustrate the proposed extents of the double yellow lines.

WHAT HAPPENS NEXT

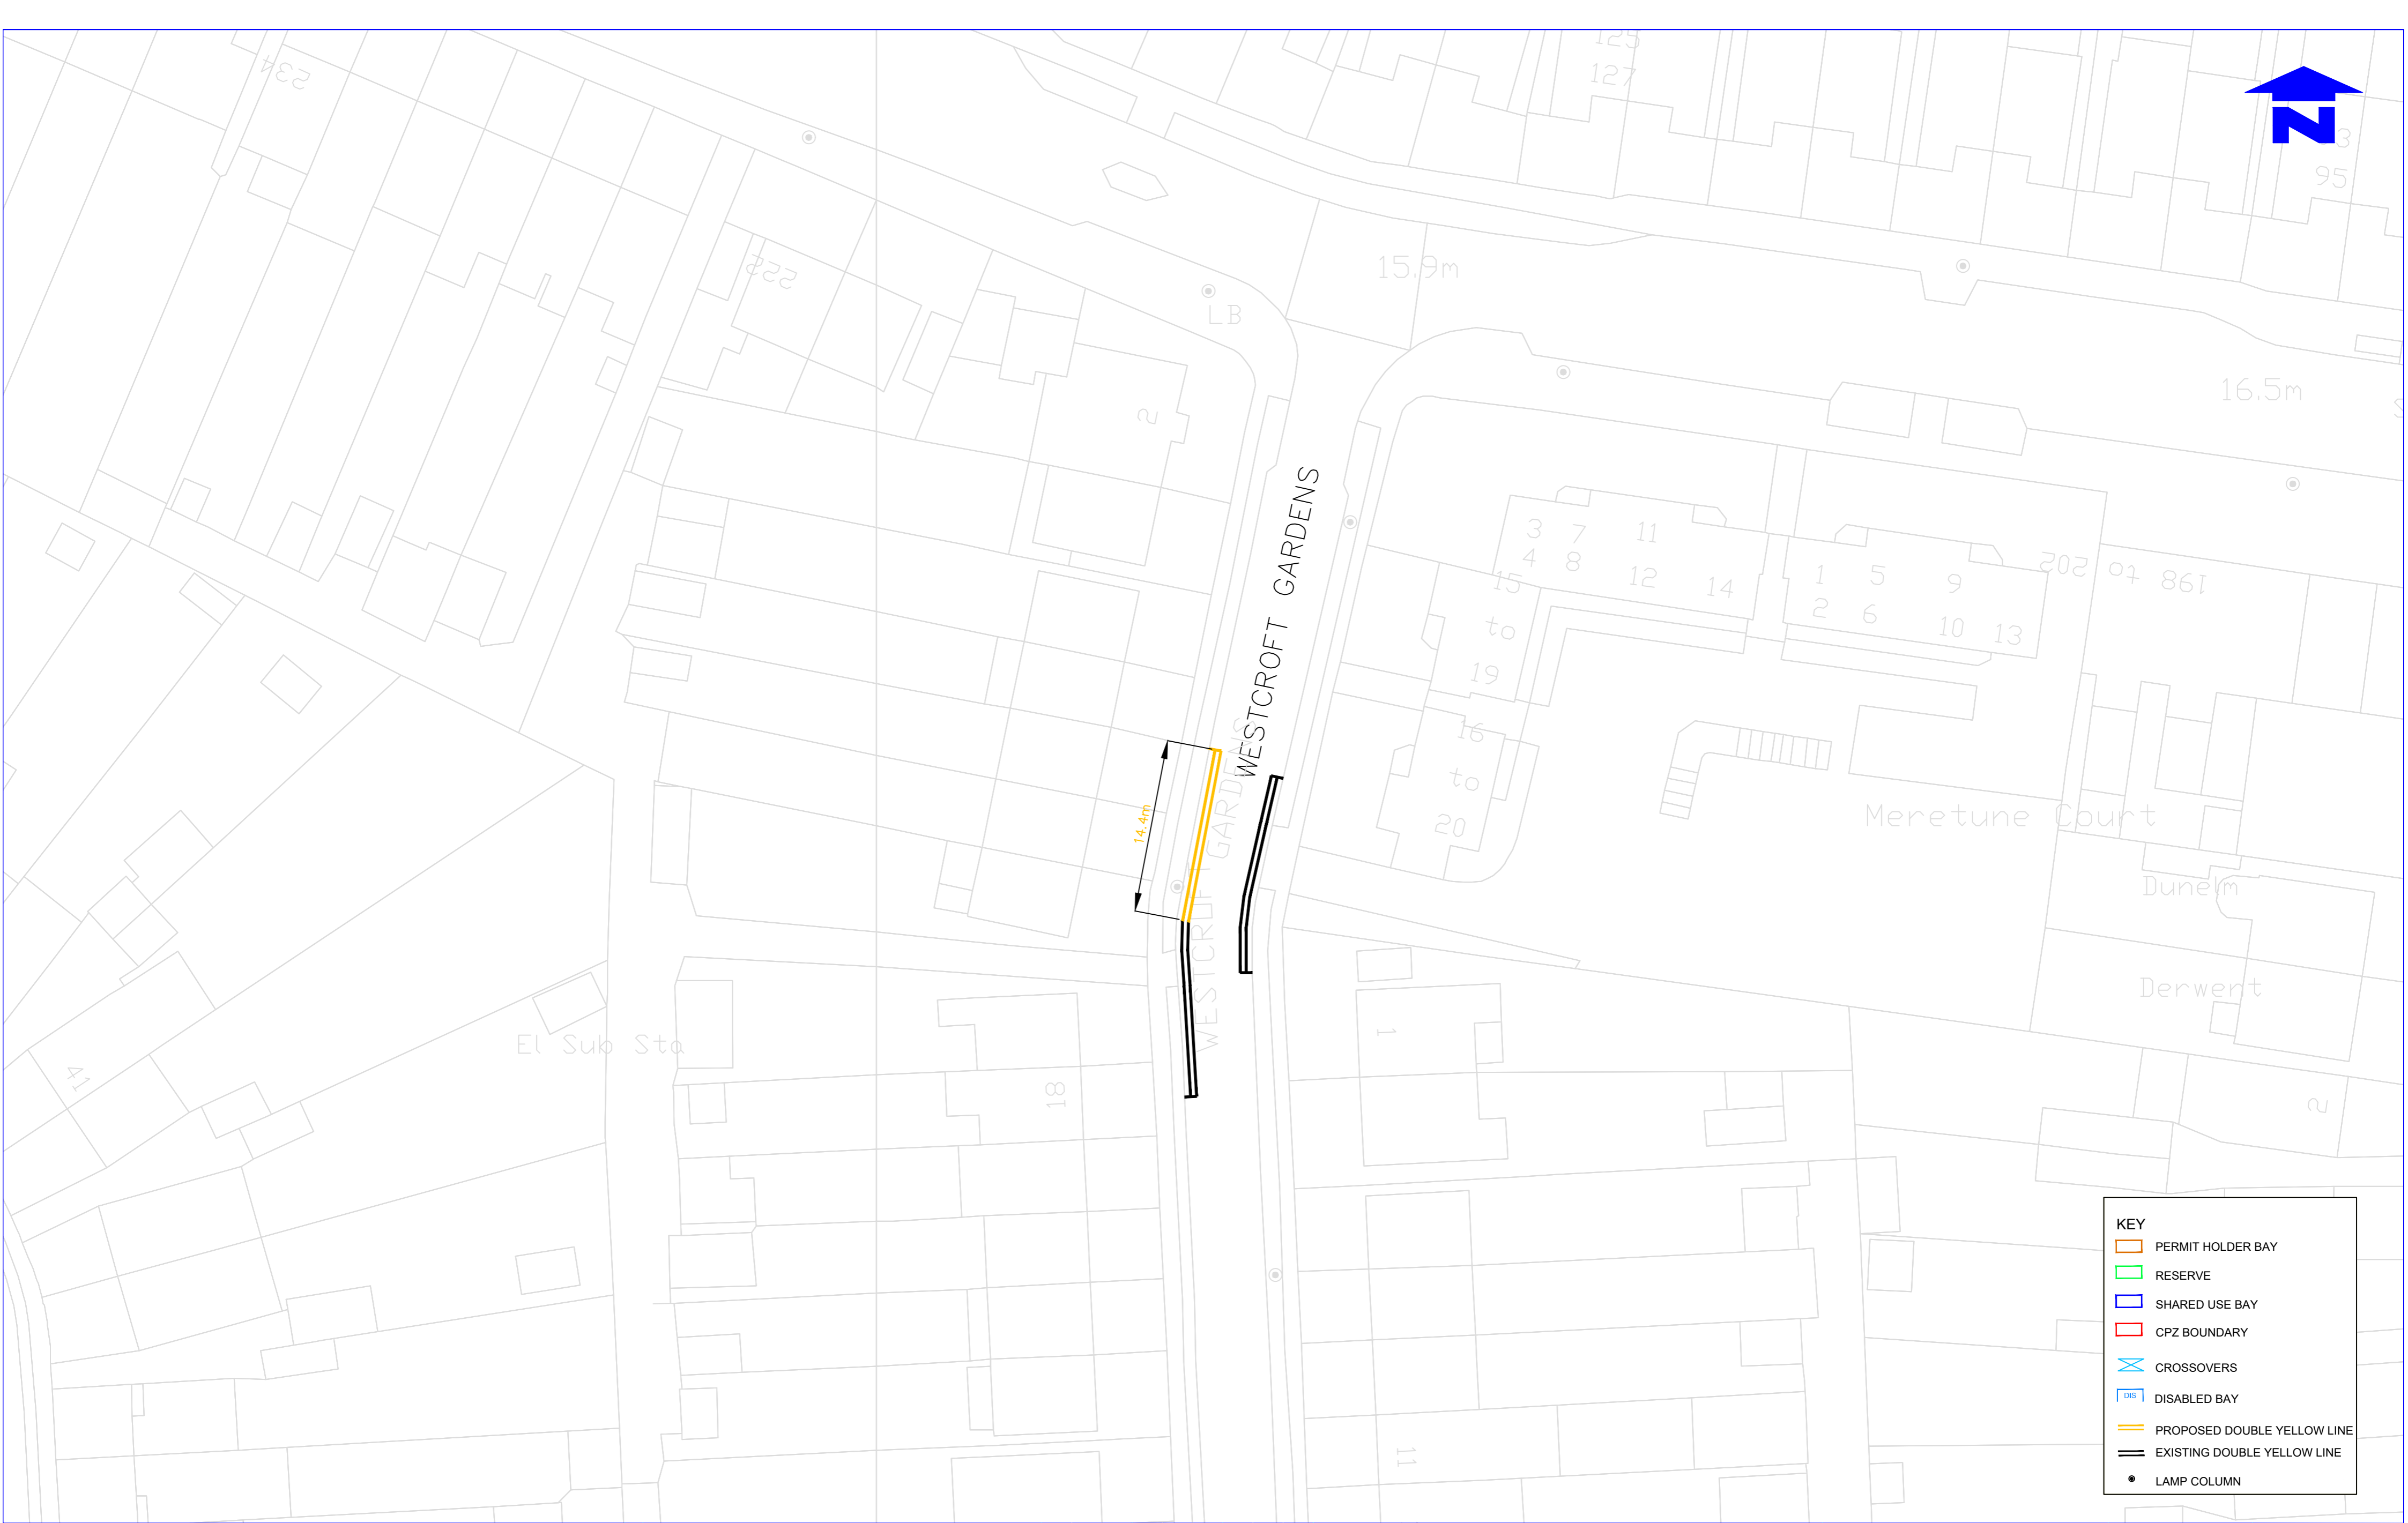

A Notice of the Council's intention to introduce the above measures will be published in a local newspaper (Wimbledon and Wandsworth Times), London Gazette and posted on lamp columns in the vicinity. Representations against the proposals described in this Notice must be made no later than **10 February 2023** quoting reference **ES/WR2022B2**. Objections must relate only to the elements of the scheme that are subject to this statutory consultation by emailing trafficandhighways@merton.gov.uk or to **Environment & Regeneration Department, future Merton, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX**. This information is also available on Merton Council's website <https://www.merton.gov.uk/wr2022b2>

All representations along with officers' comments and recommendations will be presented in a report to the Cabinet Member for Transport. Please note that responses to any representations received will not be made until a final decision is made by the Cabinet Member.

Yours sincerely,
