

Five ways to wellbeing

connect

Talk with someone in your family or group of friends and really listen to what he or she has to say. Perhaps ask about something that happened at work, at a club or perhaps how he or she is feeling today and why that is.

Be Active

Do something active with your family or friends like going for a walk or playing a game that gets you moving.

Take notice

Take a bit of time to notice things around you, perhaps have a mindful moment, notice what you can see, hear, smell, feel. Perhaps notice what the people around you are up to, how they are feeling or acting.

Keep Learning

We're learning new things all of the time. See if you can find out about something new, or an interesting fact, perhaps learn a new skill.

give

Think of an opportunity to show kindness to someone else. Being kind to others actually makes you feel good so it's a kindness for you as much as the person on the receiving end!
