21/T1023	Cricket Green	16/03/21	Nick Hammick	0208 545 3113

Proposed Development
1) Large evergreen conifer tree (approx 8m height) in front garden of 14 Mitcham Park to be felled. Low amenity value; overhanging pedestrian walkway; extensive roots now severely damaging front drive and neighbour's (no 12) front drive; long term worryover continuous growth and management of this inappropriately sited variety of tree. 2) Large overgrown (height approx 12 metres - can be seen from our back garden!) deciduous tree in front garden of 16 Mitcham Park overhanging front garden of 14 Mitcham Park, to be pruned. Tree is not maintained by the owners (house is divided into flats and landlords poorly manage the property and its environs) and the tree causes problems tous due to brittle branches frequently falling in bad weather (which can damage our car), and persistent bird mess falling onto our vehicles causing damage topaintwork. Tree also overhangs pavement and at its current height would cause a large amount of damage if it fell.
