

Rain gardens and the River Wandle

Making a 'rain garden' can help prevent flooding, support wildlife and add an eye catching feature to your neighbourhood.

Come to one of these **free workshops** and find out about what we can all do to make our neighbourhoods more resilient to extreme weather, and make a mini-rain garden in a plant pot to put on your window sill!

Tuesday 14 November, 18.30-20.30

South Mitcham Community Centre, Halsmere Avenue, CR4 3PR

Wednesday 22 November, 18.30-20.30

The Convent Co-operative, 15 Chesterton Close, SW18 1SD

Saturday 25 November, 10.30-12.30

Wandle Valley Community Centre, 2 Budge Lane, Mitcham, CR4 4AZ

Places are restricted so please book in advance by emailing Rachel at rdowse@wildlondon.org.uk or call **07971315245**
