

Proposed Parking Amendments

Church Road, Lancaster Road, Courthope Road and the High Street

ISSUE DATE : 4 OCTOBER 2012

Dear Resident / Business,

The purpose of this leaflet is to advise you that following representations made by some businesses to the Council it is proposed to make some changes to the parking, waiting and loading provisions in Church Road, Lancaster Road, Courthope Road and the High Street.

PROPOSED CHANGES

The proposed changes are detailed below and shown on the enclosed drawing (Z78-204-01).

1. To allow parking on Saturdays between 8.30am and 6.30pm within the Pay and Displays bays in Church Road and High Street.
2. To convert the loading bay in Courthope Road to shared use thereby allowing parking between 8 and 10am, 20 minutes free no return within two hours and loading will be permitted between 10am and 6.30pm.
3. To convert the first set of shared use bays on the south side of Lancaster Road close to its junction with Church Road to pay and display only.
4. To convert some residents bays to shared use and introduce pay and display shared use bays on the west side of Lancaster Road between its junction with Lancaster Gardens and 9 Lancaster Road.
5. To re-introduce 20 minutes free parking at certain Pay and Display (P&D) bays in the Village and Arthur Road. Please note that it is an offence to obtain any additional 20 minutes free tickets.

Following a comprehensive investigation to maximise parking provisions by providing footway parking on the east side of Church Road between Courthope Road and High Street, Village, it has been concluded that the associated costs of relocating 4 utility services, construction costs and the problems inherent with a cellared road far outweigh the benefits of providing 3 parking bays. This proposal is, therefore, not cost effective and not the best use of tax payers' money and will not be progressed.

WHAT HAPPENS NEXT

A Notice of the Council's intention to introduce the above measures will be published in a local newspaper (The Guardian), London Gazette and posted on lamp columns in the vicinity. Representations against the proposals described in this Notice must be made in writing to the **Head of Street Scene and Waste, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX** or email trafficandhighways@merton.gov.uk by no later than **25 October 2012** quoting reference **ES/SGE/ChurchRd**. Objections must relate only to the elements of the scheme that are subject to this statutory consultation.

All representations along with Officers' comments and recommendations will be presented in a report to the Cabinet Member for Environmental Sustainability and Regeneration. Please note that responses to any representations received will not be made until a final decision is made by the Cabinet Member.

The Council is required to give weight to the nature and content of your representations and not necessarily the quantity. Your reasons are, therefore, important to us.

Copies of the proposed order and other documents given more detailed particulars of the proposals may be viewed at Merton Link, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX during the Council's normal office hours Monday to Friday, 9am to 5pm and Wimbledon Library. If you want to discuss the proposals in person, please telephone 0208 545 3214 to arrange an appointment. This information is also available on Merton Council's website www.merton.gov.uk/churchrdvc.
