and Regeneration

ISSUE DATE : 14 NOVEMBER 2013

Dear Resident/Business

The purpose of this leaflet is to let you know the outcome of the informal consultation carried out during June/ July 2013, on the proposal to introduce a Controlled Parking Zone (CPZ) in your road.

The consultation resulted in a total of 334 questionnaires being returned, representing a response rate of 29.3%. As it can be seen from the enclosed consultation results table, 53.3% of respondents support a CPZ, compared to 41.6% who do not and 5.1% who are unsure or had no response. Further analysis of the results on a road-by-road basis has revealed that there are some roads that are completely against having parking controls and therefore these roads are being excluded from the proposed zone at this stage.

The results of the consultation along with your views and officers' recommendations were presented in a report to the Street Management Advisory Committee and the Cabinet Member on the 18 September 2013, which is available on the Council website, www.merton.gov.uk/cpza1_apostles.

After careful consideration, the Cabinet Member agreed to proceed to statutory consultation to introduce the proposed A1 CPZ to include Abbott Avenue, Chestnut Road, Dupont Road, Sydney Road and part of Kingston Road (property no's 472 to 540 and 565), operational Monday to Friday between 8.30am and 6.30pm. The hours of operation is in line with the 68.6% majority opting for Monday to Friday and 45.8% majority opting for 8.30am to 6.30pm.

For a complete breakdown on a road by road basis please refer to the enclosed consultation results.

Bronson Road

Following the Street Management Advisory Committee and the subsequent decision to exclude Bronson Road from A1 CPZ, the Council has received a substantial petition (73 households) from Bronson Road requesting to be included in the A1 CPZ. The Council, have therefore taken the decision to include Bronson Road in this Statutory Consultation to give residents a further opportunity to air their views.

Kingston Road

Bushey Road to Lower Downs Road:

Following the decision to include Bronson Road with the consultation for A1 CPZ, it is considered prudent to include this section of Kingston Road, as Kingston Road would be surrounded by controls with no parking available to Kingston Road residents in the event of the limited parking on Kingston Road is fully utilised.

Lower Downs Road to Dorien Road:

This section of Kingston Road has no parking on the carriageway, which means if all the Apostle roads are controlled these residents would not have access to parking within their immediate vicinity.

Therefore, a decision has been made to include Kingston Road into this Statutory Consultation.

The Council intends to split Kingston Road (Bushey Road to Lower Downs Road) into its two adjacent zones (A1 CPZ and 5F CPZ); this will allow the parking pressure overflow from Kingston Road to be shared between Bronson Road and Oxford Avenue. Kingston Road residents displaying a valid permit will be able to park either side of Kingston Road, as well as their respective adjacent zones.

For further detail please see the enclosed plan, drawing no Z78-213-01B CPZ A1.
