The representations received along with officers' recommendations were reported to Street Management Advisory Committee and the Cabinet Member for Environmental Sustainability and Regeneration on 29th January 2014. After Careful consideration the following have been agreed:

Dear Resident / Business

Following the Council's decision to introduce a Controlled Parking Zone (A1 CPZ) in the Apostles Roads, I am writing to inform you that the works will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

DATE AND TIME OF WORKS

It is anticipated that the works will start the week commencing 17 March 2014 for a period of approximately 2 weeks, weather permitting. Each road within the zone will be implemented in the order detailed in the schedule below but may be subject to change if the weather prevents the contractor from carrying out the works. All works will be carried out between 9am and 4.30pm.

While work is being undertaken in your street, we request that you park in the existing RP CPZ and display the yellow cards provided (only use the cards on the date work is taking place in your road) on the dashboard of your vehicle. By doing so, this will keep the roads free of parked vehicles to allow a smooth progression of the works. Vehicles would be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation, should they park during the restricted times.

To allow for the works to be carried out as quickly as possible, "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited and notices and cones will be placed in your road 12 – 48 hours prior to work being undertaken.

The information pack on how to apply for your permit will follow shortly. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

SCHEDULE OF WORKS:

Dupont Road 18 March; Sydney Road 19 March; Chestnut Road 20 March;
Bronson Road 21 March; Abbott Avenue 25 March; Kingston Road 26 March.
