

ISSUE DATE : 16 MARCH 2012

Dear Resident/Business,

The purpose of this leaflet is to let you know the outcome of the statutory consultation carried out in October/November 2011, and to inform you of the Council's decision on the proposed measures as shown on the enclosed plan.

The representations received along with officers' recommendations were reported to Street Management Advisory Committee and the Cabinet Member for Environmental Sustainability and Regeneration on 23 January 2012. After Careful consideration a decision has been made:

- to proceed with the making of the Traffic Management Order (TMO) for the inclusion of Carlton Park Avenue and Vernon Avenue into the existing RPS CPZ, operational Monday to Friday between 8.30am to 6.30pm.
- to proceed with the making of the Traffic Management Order (TMO) for the inclusion of Rothesay Avenue, Chase Side Avenue and part of Kingston Road into the existing 5F CPZ, operational Mondays to Fridays between 8.30am to 6.30pm.
- to proceed with the making of the Traffic Management Order (TMO) for the implementation of double yellow line waiting restrictions at key locations such as junctions, bends, cul de sacs and locations where traffic flow is impeded on those roads to be excluded from the CPZ.
- to proceed with a statutory consultation to include Oxford Avenue into the existing 5F CPZ, operational Monday to Friday between 8.30am to 6.30pm.

The report and the Council's decision can be viewed online using the following link, www.merton.gov.uk/cpzapostles

ROTHESAY AVENUE, CHASE SIDE AVENUE & PART OF KINGSTON ROAD

The works to be carried out on these roads will not commence until the Oxford Avenue statutory consultation has ended. Once a decision has been made whether or not to proceed with the introduction of Oxford Avenue, residents/businesses within the proposed zone will be contacted with the outcome and dates for implementation.

CARLTON PARK AVENUE & VERNON AVENUE

Dates for the implementation of these roads are shown on the back of this leaflet.

All roads outside the CPZ are subject to minor works (double yellow lines at junctions and cul-de-sacs). These works will also be carried out in conjunction with the CPZ works. Dates are shown on the back of this leaflet.

WHAT HAPPENS NEXT

The final made Traffic Management Orders (TMOs), which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area. Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Brett Cockin, on telephone number 020 8545 4869 or email him at trafficandhighways@merton.gov.uk.

Alternatively, this information can be viewed on Merton Council's website.

Date: 16 March 2012

Dear Resident / Business

Following the Council's decision to introduce Carlton Park Avenue and Vernon Avenue only into the 'RPS' Controlled Parking Zone (CPZ). I am writing to inform you that the works will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

Date and Time of Works

It is anticipated that the lining works will start the week commencing 26th March 2012 for a period of 2-3 days, weather permitting. Work will be carried out between 9am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions may be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. While work is being undertaken in your street, we request that you park as close to the kerb as possible and allow a 1 metre gap from existing crossovers. By doing so, this will allow a smooth transition of the works. Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken.

The information pack on how to apply for your permit will follow shortly for Carlton Park Avenue and Vernon Avenue only. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

Further Information and Contact Details for the Works:

FM Conway Ltd - Kwasi Mensah (Signing Contractor): 0791 9493 010
FM Conway Ltd - Paul Powell (Lining Contractor): 0774 863 5760
