

Dear Resident/Business

The purpose of this leaflet is to let you know the outcome of the statutory consultation carried out in June/July 2011, and to inform you of the Council's decision on the review of 'CW' Controlled Parking Zone (CPZ), on proposals to enhance the operation of the zone. The representations received along with officers' recommendations were reported to the Street Management Advisory Committee and the Cabinet Member for Environmental Sustainability and Regeneration on 20 September 2011. After Careful consideration a decision has been made to proceed with the implementation of the amendment to the parking controls as advertised and as shown on the plan overleaf (Drg No. Z78-181-01B).

The report and the Council's decision can be viewed online using the following link, www.merton.gov.uk/cpzcwrev-ext

What Happens Next

The final made Traffic Management Orders (TMOs), which allows the restrictions to be amended and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area.

A letter detailing the commencement and duration of the work can be found on the back of this leaflet.

Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Paul Atie, on telephone number 020 8545 3214 or email him at paul.atie@merton.gov.uk. Alternatively, this information can be viewed on Merton Council's website www.merton.gov.uk/cpzcwrev-ext.

Dear Resident/Business

Following the review of 'CW' Controlled Parking Zone (CPZ), I am writing to inform you that amendment work will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

Date and Time of Work

It is anticipated that the work will start week commencing 5 December 2011 for a period of 5 weeks, excluding two weeks over the Christmas and New Year period. The lining work should take 7-10 working days to complete, weather permitting. Work will be carried out between 9am and 4.30pm. The majority of the work will not require residents to move their vehicles, however, "No Parking" cones and signs may be placed to indicate the areas where parking is prohibited to facilitate the work. By doing so, this will keep the part of roads free of parked vehicles allowing a smooth transition of the work. Vehicles will be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation, should they park during the restricted times. Notices and cones will be placed in your road/part of roads 12-48 hours prior to work being undertaken.

The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by this work.

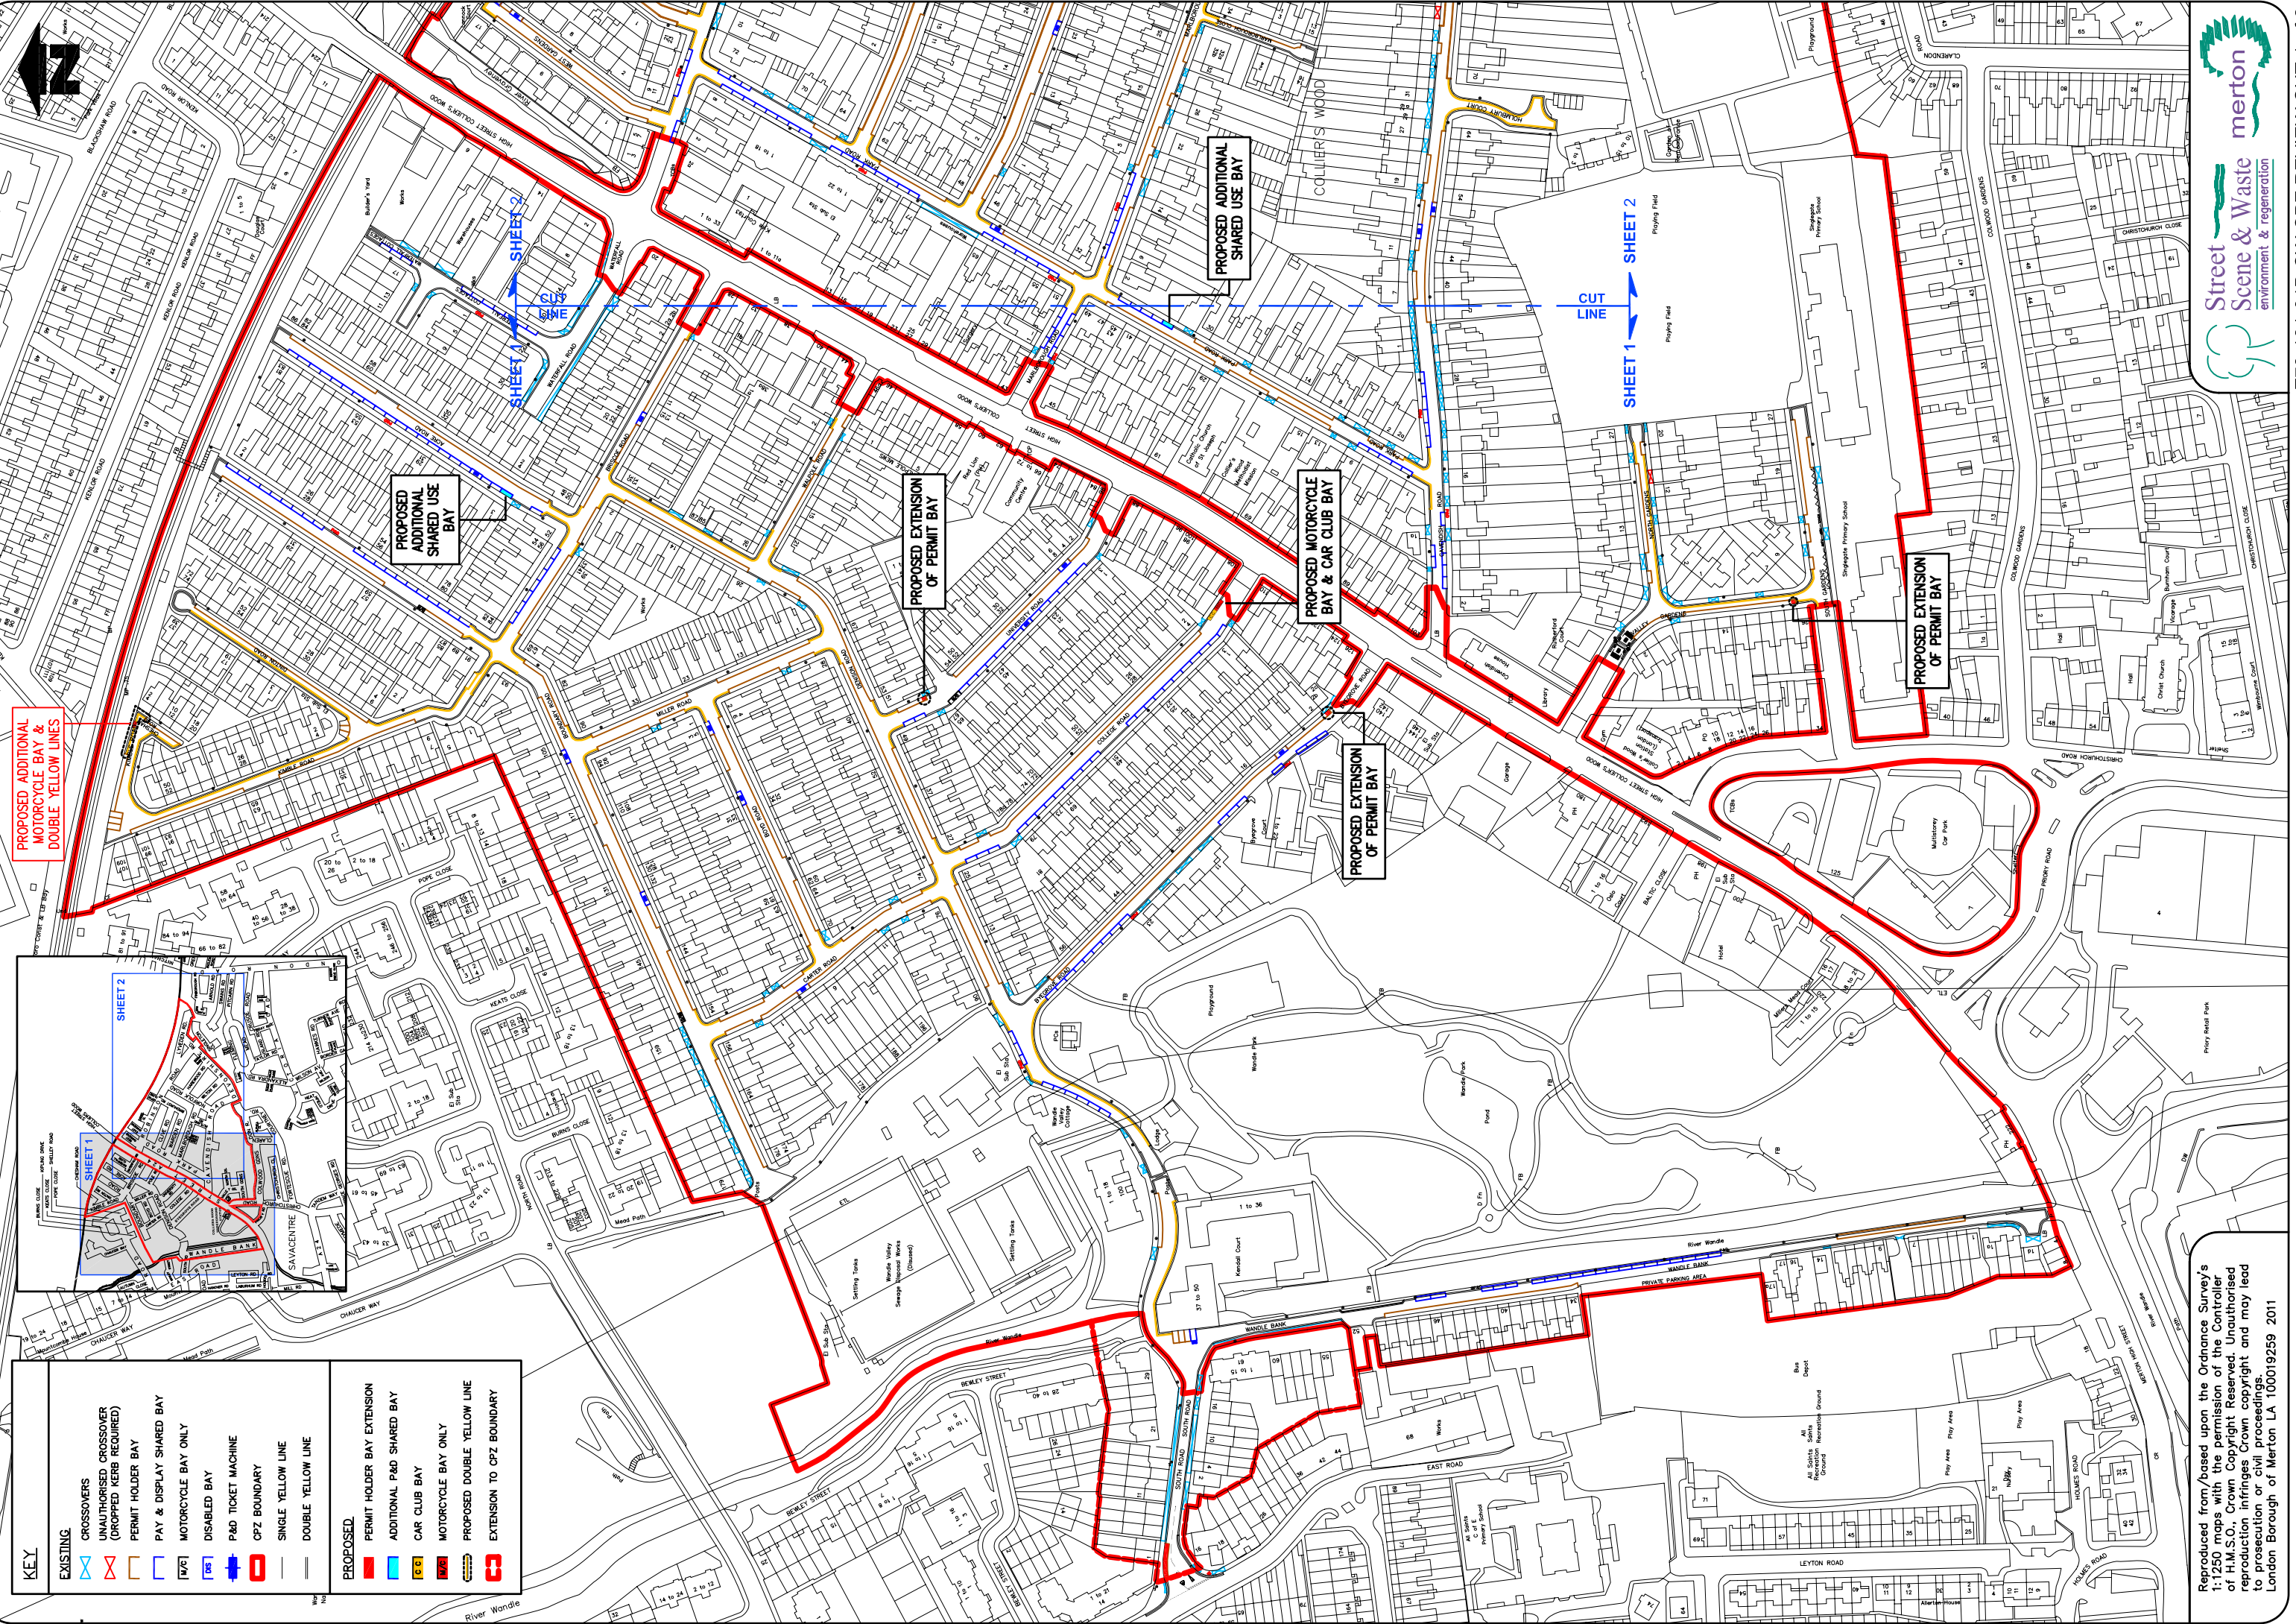

Further Information and Contact Details for the Work:

FM Conway Ltd - Harry O' Driscoll : 07748 632921 / 020 8636 8822

Merton Council - Paul Atie : 020 8545 3214

Yours faithfully

Paul Atie
