Dear Resident/Business

Following the Council's decision to extend 'GC' Controlled Parking Zone (CPZ) to include Jersey Road, Ipswich Road, Vectis Garden, Vectis Road, parts of Links Road (between 172 & 280 and 137 & the Sub station) and Seely Road (between 159 & 335 and 136 & 232), I am writing to inform you that the works as set out below will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council. Only the roads or part of roads mentioned above will be affected by the scheduled works and permit applications.

Date and Time of Works

It is anticipated that the works will start the week commencing 2 April 2013 for a period of 2 weeks. The lining and signing work should take 7-10 working days to complete, weather permitting. Work will be carried out between 9am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited.

While work is being undertaken in your street, we request that you park in the existing GC CPZ and display the yellow cards provided on the dashboard of your vehicle (If you have more than two cars, please find alternative parking space for the third car as the existing GC CPZ is not able to cope with all the cars from the extension). By doing so, this will keep the roads free of parked vehicles to allow a smooth progression of the works. Vehicles would be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation, should they park during the restricted times.

Notices and cones will be placed in your road 12-48 hours prior to work being undertaken. (The work schedule of when your road will be marked will follow in due course) The information pack on how to apply for your permit will follow shortly. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

Further information and contact details for the works:

Merton Council - Paul Atie: 020 8545 3214

Yours faithfully

Paul Atie

**Controlled Parking Zone (CPZ)
Proposed Zone GC Extension
(GCe) - Vectis Road Area**

ISSUE DATE : 15 MARCH 2013

Councillor Andrew Judge
Cabinet Member for
Environmental Sustainability
and Regeneration
T: 020 8545 3425
E: andrew.judge@merton.gov.uk

Dear Resident/ Business

The purpose of this leaflet is to let you know the outcome of the statutory consultation carried out in November/ December 2012, and to inform you of the Council's decision on the proposed 'GC' Controlled Parking Zone (CPZ) extension, which include all those roads between Jersey Road and Streatham Road. The representations received along with officers' recommendations were reported to the Street Management Advisory Committee and the Cabinet Member for Environmental Sustainability and Regeneration on 30 January 2013. After Careful consideration a decision has been made to proceed with the implementation of the controls as advertised and as shown on the plan overleaf (Drg No. Z78-190-01A).

The report and the Council's decision can be viewed online on www.merton.gov.uk/cpzgce.

What Happens Next

The final made Traffic Management Orders (TMOs), which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area.

A letter detailing the commencement and duration of the works can be found on the back of this leaflet.

Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Paul Atie, on telephone number 020 8545 3214 or email trafficandhighways@merton.gov.uk.
