

Dear Resident/Business

The purpose of this leaflet is to let you know the outcome of the statutory consultation carried out in May 2012, and to inform you of the Council's decision on the proposed 'RPE' Controlled Parking Zone (CPZ), which include Arterberry Road, Dunmore Road, Langham Road, Montana Road, Stanton Road, The Drive, part of Worple Road (204-sub station and 123-185) and Wyke Road.

All representations received along with officers' recommendations were presented in a report to the Cabinet Member for Environmental Sustainability and Regeneration. After careful consideration a decision has been made to proceed with the implementation of the controls as advertised and as shown on the enclosed plan (Drg No. Z78-188-04 CPZ RPE).

Additionally, it has been agreed to proceed with the implementation of the proposed waiting restrictions at key locations as consulted.

The report and the Council's decision can be viewed online on www.merton.gov.uk/cpzrpa.

What Happens Next

The final made Traffic Management Orders (TMOs), which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area.

A letter detailing the commencement and duration of the works can be found on the back of this leaflet.

Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Leonardo Morris, on telephone number 020 8545 3840 or email to trafficandhighways@merton.gov.uk.

Date: 13 November 2012

Dear Resident/Business

Following the Council's decision to introduce 'RPE' Controlled Parking Zone (CPZ) to include Arterberry Road, Dunmore Road, Langham Road, Montana Road, Stanton Road, The Drive, part of Worple Road (204-sub station and 123-185) and Wyke Road, I am writing to inform you that the works will start as set out below and will be carried out by F M Conway Ltd on behalf of the Council.

Only the roads or part of roads mentioned above will be affected by the scheduled works and permit applications.

Date and Time of Works

It is anticipated that the works will start the week commencing 26 November 2012 for a period of 2 weeks. The lining and signing work should take 5 - 10 working days to complete, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking will be prohibited. While work is being undertaken in your street, we request that you park in adjacent roads. By doing so, this will keep the roads free of parked vehicles to allow a smooth transition of the works without delays. Vehicles would be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation, should they park during the restricted times. Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken.

The information pack on how to apply for your permit will follow shortly. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

Further information and contact details for the works:

FM Conway Ltd – Kwasi Mensah: 07919493010 / 020 8636 8822

Merton Council - Leonardo Morris: 020 8545 3840

Yours faithfully

Leonardo Morris
