

Controlled Parking Zone (CPZ) Proposed 5F extension - Toynbee Road

ISSUE DATE : 18 FEBRUARY 2011

Dear Resident/Business

The purpose of this leaflet is to seek your views of including the uncontrolled section of Toynbee Road within the existing 5F CPZ. It is considered that this proposed measure will assist residents of Toynbee Road with the current parking difficulties that is being experienced in their road. Please see plan overleaf for details on the Councils' proposals.

WHAT HAPPENS NEXT

Statutory consultation is required prior to any decision to proceed to implementation. This is the legal part of the process and requires the introduction of Traffic Management Order (TMO), which will enable the Council to change and enforce traffic or parking regulations. The statutory Notice will be published in the London Gazette and one local newspaper circulated in the area. In addition to this, the Council will post Notices in the affected streets and deliver newsletters to local residents and traders. The Notice informs residents and businesses in the affected area of the proposed measures and how members of the public can submit written representations regarding the proposals. Representation must be made in writing to: **Head of Street Scene and Waste, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX** by no later than **11 March 2011**, quoting reference **ES/SGE/ZONE 5FE**.

Please let us know your views on the above proposals.

The Council will then be required to consider all representations prior to proceeding further. A copy of the proposed TMO, a plan identifying the areas affected by the proposals and the Council's Statement of Reasons can be inspected at the Merton Link, Merton Civic Centre, London Road, Morden, Surrey, during the Council's normal office hours Monday to Friday, 9am to 5pm. Alternatively, this information can be viewed on our website using the following link www.merton.gov.uk/cpz5fe.

The result of the consultation along with officers' recommendations will be presented in a report to Street Management Advisory Committee and/or the Cabinet Member for Environmental Sustainability and

Regeneration. Once a decision is made you will be informed accordingly. Please note that responses to any representations received will not be made until a final decision is made. If you require further information, you may contact Brett Cockin directly on 020 8545 4869 or email trafficandhighways@merton.gov.uk.
