Controlled Parking Zone (CPZ) Proposed Zone 'RPE' (5F extension)

ISSUE DATE : 18 FEBRUARY 2011

Dear Resident/Business

The purpose of this leaflet is to let you know the outcome of the informal consultation carried out in August/September 2010, on the proposal to introduce a controlled parking zone (CPZ) in your roads. The consultation resulted in a total of 152 questionnaires returned, representing a response rate of 47.1%. As it can be seen from the table, 34.9% of respondents indicated that they currently have parking problems in their roads compared to 55.2% who feel that they do not.

A majority of 70.4% do not support the concept of a CPZ, compared to 23.0% who do, with 6.6% undecided.

SUMMARY OF CONSULTATION RESULTS

QUESTIONS	YES	NO	UNSURE
3 Do you feel you have a parking problem in your road?	34.9%	55.2%	9.9%
4 Do you support a CPZ in your road?	23.0%	70.4%	6.6%
5 Would you support a CPZ if the neighbouring road(s) or part of their road were included in a CPZ?	28.3%	61.2%	10.5%

For further details please refer to the enclosed consultation results.

The results of the consultation along with your views and officers' recommendations were presented in a report to the Cabinet Member of Environmental Sustainability & Regeneration on the 15 November 2010. After careful consideration, a decision was made to:

- NOT proceed with the introduction of 'RPE' CPZ in Abbott Avenue, Burstow Road, Dennis Park Crescent, Lower Downs Road and Rotherwood Close.
- Proceed with a statutory consultation to introduce double yellow line waiting restrictions at key locations such as junctions, bends, cul de sacs and locations where traffic flow is impeded.
- Given that the majority of Toynbee Road residents (51.5%) support the proposed CPZ, it has been decided to proceed with a statutory consultation to introduce Toynbee Road only as an extension to the existing 5F CPZ, to be operational Mondays to Fridays between 8.30am to 6.30pm.

Please see enclosed plan for details on the Councils' proposals.

WHAT HAPPENS NEXT

Statutory consultation is required prior to any decision to proceed to implementation. This is the legal part of the process and requires the introduction of Traffic Management Order (TMO), which will enable the Council to change and enforce traffic or parking regulations. The statutory Notice will be published in the London Gazette and in a local newspaper circulated in the area. In addition to this, the Council will post Notices in the affected streets and deliver newsletters to local residents and traders. The Notice informs residents and businesses in the affected area of the proposed measures and how members of the public can submit written representations regarding the proposals. Representation must be made in writing to: **Head of Street Scene and Waste, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX** by no later than **11 March 2011**, quoting reference **ES/SGE/ZONE 5FE**.
