Dear Resident, Business

Following the Council's decision to introduce 'S3' Controlled Parking Zone (CPZ) in the Abbey, Trinity and Colliers Wood Wards, which includes All Saints Road, Autumn Close, Burns Close, Chaucer Way, Deburgh Road, Downside Close, Gilbert Road, Grove Road, Hailes Close, Hanover Road, Haydon's Road, Holmes Road, Hotham Road, Keats Close, Kipling Drive, Laburnum Road, Lacock Close, Leyton Road, Norman Road, North Road, Pope Close and Shelley Way. I am writing to inform you that the works will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

Date and Time of Works

It is anticipated that the works will start the week commencing 4th July 2011 for a period of 4 weeks, weather permitting. Work will be carried out between 9am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation, should they park during the restricted times. Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken. (The work schedule of when your road will be marked will follow in due course)

The information pack on how to apply for your permit will follow shortly. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

Dear Resident/Business,

The purpose of this leaflet is to let you know the outcome of the statutory consultation carried out in November/December 2010 and March 2011, and to inform you of the Council's decision on the proposed 'S3' Controlled Parking Zone (CPZ), which includes All Saints Road, Autumn Close, Burns Close, Chaucer Way, Deburgh Road, Downside Close, Gilbert Road, Grove Road, Hailes Close, Hanover Road, Haydon's Road, Holmes Road, Hotham Road, Keats Close, Kipling Drive, Laburnum Road, Lacock Close, Leyton Road, Norman Road, North Road, Pope Close and Shelley Way.

The representations received along with officers' recommendations were reported to Street Management Advisory Committee and/or the Cabinet Member for Environmental Sustainability and Regeneration on 10 February 2011 and 4 May 2011. After Careful consideration a decision has been made to proceed with the implementation of the CPZ in the roads shown on the enclosed plan.

Additionally double yellow line waiting restrictions will be introduced at key locations such as junctions, bends, cul de sacs and locations where traffic flow is impeded to include Abingdon Road, Battle Close, Bewley Street, East Road, Merton High Street, Tintern Close and Woburn Close.

The report and the Council's decision can be viewed online using the following link, www.merton.gov.uk/cpzs3

What Happens Next

The final made Traffic Management Orders (TMOs), which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area. A letter detailing the commencement and duration of the works can be found on the back of this leaflet. Finally we would like to thank you for your participation in the consultation process and for your feedback.
