

Controlled Parking Zone (CPZ) Proposed Zone VNE, Village North East

ISSUE DATE : 27 FEBRUARY 2012

Dear Resident/Business,

The purpose of this leaflet is to let you know the outcome of the statutory consultation carried out in November/December 2011, and to inform you of the Council's decision on the proposed 'VNE' Controlled Parking Zone (CPZ), which includes Alfreton Close, Bathgate Road, Beltane Drive, Castle Close, Castle Way, Haven Close, Heath Mead, Lincoln Avenue, Queensmere Road and Seymour Road.

The representations received along with officers' recommendations were reported to the Street Management Advisory Committee and the Cabinet Member for Environmental Sustainability and Regeneration on 23 January 2012.

After careful consideration the Cabinet Member has agreed for CPZ VNE to be implemented, with the exception of Queensmere Road, as shown on the enclosed plan. Queensmere Road has been deferred until the affect of the displacement is determined and Wandsworth Council have completed their consultation with their residents.

The report and the Council's decision can be viewed online using the following link, www.merton.gov.uk/cpzvne.

WHAT HAPPENS NEXT

The final made Traffic Management Orders (TMOs), which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area.

A letter detailing the commencement and duration of the works can be found on the back of this leaflet.

Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Leonardo Morris, on telephone number 020 8545 3840 or email him at trafficandhighways@merton.gov.uk.

Dear Resident / Business

Following the Council's decision to introduce 'VNE' Controlled Parking Zone (CPZ) in the Village Ward, which includes Alfreton Close, Bathgate Road, Beltane Drive, Castle Close, Castle Way, Haven Close, Heath Mead, Lincoln Avenue and Seymour Road, I am writing to inform you that the works will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

Date and Time of Works

It is anticipated that the works will start the week commencing 12th March 2012 for a period of 3 weeks, weather permitting. Work will be carried out between 9am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works.

Vehicles would be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation, should they park during the restricted times. Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken.

The information pack on how to apply for your permit will follow shortly. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.
