Dear Resident / Business

Following the Council's decision to introduce the Controlled Parking Zone 'M3' in the Chalgrove Avenue area, I am writing to inform you that the works will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

DATE AND TIME OF WORKS

It is anticipated that the works will start the week commencing 9 November 2015 for a period of 1 week, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a PCN and possible relocation.

Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken. The work schedule of when your road will be marked is shown below.

SCHEDULE OF WORKS:

Road markings and installation of signs in:
Chalgrove Avenue, Ashley Avenue, Elsrick Avenue and Redclose Avenue 9th - 15th November 2015.
Operational date: 30th November 2015.

Proposed Controlled Parking Zone (CPZ)
M3 - Chalgrove Avenue, Ashley Avenue,
Elsrick Avenue & Redclose Avenue

ISSUE DATE : 9 OCTOBER 2015

Councillor Andrew Judge
Cabinet Member for
Environmental Sustainability
and Regeneration

Dear Resident,

This leaflet is to update the community of the outcome of the statutory consultation that was carried out in June / July 2015, and to inform you of the Council's decision on the proposal to introduce the 'M3' Controlled Parking Zone (CPZ) to include Chalgrove Avenue, Ashley Avenue, Elsrick Avenue and Redclose Avenue, as shown in plan overleaf.

The representations received along with officer's recommendations were reported to the Cabinet Member for Environment Sustainability and Regeneration in September 2015. After careful consideration the following have been agreed:-

- To proceed with the making of the relevant Traffic Management Orders and the implementation of the 'M3' CPZ to Chalgrove Avenue, Ashley Avenue, Elsrick Avenue and Redclose Avenue, operational Monday to Sunday between 8.30am and 6.30pm, as per the attached plan.
- To remove a section of the central island in Chalgrove Avenue close to its junction with London Road to maximise the number of parking spaces in the road as indicated on the drawing.

The report and the Council's decision can be viewed online using the following link;

www.merton.gov.uk/cpzm3

What happens next

The Traffic Management Orders, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area. It is anticipated that the CPZ will come into operation on 30 November 2015.

The information pack on how to apply for your permit will follow shortly. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

Please see overleaf for details of the schedule of works.

Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information please email; trafficandhighways@merton.gov.uk and quote reference 'M3 Chalgrove'.
