ISSUE DATE : 19 JUNE 2014

Dear Resident / Business,

The purpose of this leaflet is to let you know the outcome of the informal consultation carried out between August and September 2013, on the proposal to introduce a controlled parking zone (CPZ) in your road.

RPC CPZ CONSULTATION RESULTS

The consultation resulted in a total of 683 questionnaires returned from the roads within the proposed CPZ area representing a response rate of 39.7%. A detailed road by road analysis of the results revealed that there some roads are completely against having parking controls and therefore these roads have been excluded from the proposed zone at this stage.

The analysis of the 378 returned cards from the remaining roads, which included Amity Grove, Cambridge Close, Cambridge Road, Conway Road, Coombe Gardens, Coombe Lane, Devas, Durham Road, Durrington Park Road, Hunter Road, Panmuir Road and Pepys Road show that 55.3% support a one hour CPZ in their road, compared to 38.4% who do not and 6.3% who are unsure or did not comment.

The results of the consultation along with officers' recommendation below were presented in a report to the Street Management Advisory Committee and the Cabinet Member for Environmental Sustainability and Regeneration on the 29 January 2014. The following recommendations were made to the Cabinet Member:

- To proceed with a statutory consultation to include Amity Grove, Cambridge Close, Cambridge Road, Conway Road, Coombe Gardens, Coombe Lane, Devas, Durham Road, Durrington Park Road, Hunter Road, Panmuir Road and Pepys Road into the proposed RPC CPZ, operational Monday to Friday between 11am and 12pm (1 hour). Please see plan enclosed.
- To proceed with a statutory consultation to include Coombe Lane (East of Lambton Road) and Pepys Road (Worple Road to Coombe Lane) as an extension to the existing RPE CPZ, operational Monday to Friday between 8.30am and 6.30pm. Please see plan enclosed.

- To proceed with a statutory consultation to include Lambton Road (Coombe Lane to Worple Road) and Worple Road (Lambton Road to Pepys Road) as an extension to the existing RPN CPZ, operational Monday to Friday between 8.30am and 6.30pm. Please see plan enclosed.

- It should be noted that following the feedback received during the consultation, some amendments have been made to some parking bays previously proposed. For full details, please refer to committee report published on www.merton.gov.uk/cpzrpc.

After careful consideration, the Cabinet Member agreed to proceed with a statutory consultation to include Amity Grove, Cambridge Close, Cambridge Road, Conway Road, Coombe Gardens, Devas Road, Durham Road, Durrington Park Road, Hunter Road, Panmuir Road and Pepys Road into the proposed RPC CPZ, operational Monday to Friday between 11am and 12pm (1 hour). Please see plan enclosed.

The Cabinet Member in his decision has removed Coombe Lane between property No. 184 and its junctions with Cambridge Road and Coombe Gardens from the scheme at this stage as a majority of 55.6% were against the scheme.

In line with the feedback received, it has been decided to exclude those roads which did not support a CPZ. Those roads that are being excluded from the proposed CPZ are however be subject to waiting restrictions at key locations such as junctions, bends and cul-de-sacs. This will ensure safety and access at all times.

Please be reminded that if a CPZ is to be implemented in the roads as shown on the plan enclosed, parking is likely to be displaced into the roads/part of roads not within the CPZ. This displacement is likely to be caused by those residents in the proposed CPZ who may not want to pay for a permit and by commuters. Residents outside of the proposed CPZ extension now have a further opportunity to opt into the scheme if they wish to do so and this should be done in writing or as a petition to the Council during this statutory consultation.

WHAT HAPPENS NEXT

A Notice of the Council's intentions to introduce the above measures will be published in a local newspaper (The Guardian), The London Gazette and posted on lamp columns in the vicinity. Representations for and against the proposals described in this Notice must be made in writing to the **Head of Traffic and Highways Services, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX** or email trafficandhighways@merton.gov.uk by no later than **17 July 2014** quoting reference ES/DB/ZONE RPC CPZ. Objections must relate only to the elements of the scheme that are subject to this statutory consultation.

All representations along with Officers' comments and recommendations will be presented in a report to the Cabinet Member for Environmental Sustainability and Regeneration. Please note that responses to any representations received will not be made until a final decision is made by the Cabinet Member.

The Council is required to give weight to the nature and content of your representations and not necessarily the quantity, your reasons are, therefore, important to us.

A copy of the proposed TMO, a plan identifying the areas affected by the proposals and the Council's Statement of Reasons can be inspected at the Merton Link, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX during the Council's normal office hours Monday to Friday, 9am to 5pm.
