Dear Resident / Business

Following the Council's decision to introduce an extension to the Controlled Parking Zone 'RPC' in Melbury Gardens and Laurel Road, I am writing to inform you that the works will start shortly, which will be carried out by F M Conway Ltd on behalf of the Council.

DATE AND TIME OF WORKS

It is anticipated that the works will start the week commencing 26 October 2015 for a period of 3 days, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. While work is being undertaken in your street, we request that you park in the existing RPC CPZ and display the yellow cards provided (only use the cards on the date work is taking place in your road) on the dashboard of your vehicle. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back onto the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a PCN and possible relocation, should they park during the restricted times.

Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken. The work schedule of when your road will be marked is shown below.

SCHEDULE OF WORKS:

Road markings and installation of signs in:
Melbury Gardens, Laurel Road and Coombe Lane 26th - 28th October 2015.
Operational date: 16th November 2015.
