Tell us what you think of the council's draft Estates Local Plan

1) Having read and considered the council's draft Estates Local Plan and supporting documents please indicate your preference at this stage for regeneration.

Please tick one of the following options:

Option 1: Demolish and redevelop the entire Estate

Redeveloping the whole estate would mean demolishing and replacing the existing buildings to provide well-designed energy efficient new homes and general improvement to the neighbourhood, including connections to the surrounding areas.

Option 2: Partial redevelopment

Retain some buildings and redevelop the majority of the estate to provide a number of benefits, such as well-designed energy

efficient new homes but with fewer benefits to the neighbourhood.

Option 3: Invest in existing properties to bring them to minimum modern standards

Refurbish all Circle Housing Merton Priory and leasehold properties to ensure they meet current minimum housing standards and have reasonable kitchens, bathrooms, windows, wiring and insulation. All leaseholders would have to share the costs of this work. This would not include changes to the outside areas.

To whom it may concern at
Merton Council

I have been a resident for over 30 yrs. most of these years under Merton with no problems. Circle Housing have now taken over and want to demolish all the houses to build more flats and some houses. The flats that are to be built are 4 storey high which goes against all that was said in previous meetings.

I myself as a loyal resident am against all that they are doing. I do believe in good standards and think this could be reached by refurbishment and keep some history to this area.
