TOWN AND COUNTRY PLANNING ACT 1990  
(as amended by the PLANNING AND COMPENSATION ACT 1991)  
(hereinafter referred to as "the Act")

**ENFORCEMENT NOTICE**

(hereinafter referred to as "the Notice")

ISSUED BY: THE COUNCIL OF THE LONDON BOROUGH OF MERTON  
(hereinafter referred to as "the Council")

1. THIS IS A FORMAL NOTICE which is issued by the Council because it appears to them that there has been a breach of planning control under Section 171A(1)(a) of the Act at the land (hereinafter referred to as "the land") described in Paragraph 2 below. The Council considers that it is expedient to issue this Notice having regard to the provisions of the Development Plan and to other material planning considerations.

2. THE LAND TO WHICH THE NOTICE RELATES

The land known as 1a Westcoombe Avenue, London SW20, and shown edged black on the attached plan.

3. THE MATTERS WHICH APPEAR TO CONSTITUTE THE BREACH OF PLANNING CONTROL

Without planning permission, the erection of a front boundary enclosure consisting of a wall, railings and gate at a height of 1.75 metres above ground level.

4. REASONS FOR ISSUING THIS NOTICE

It appears to the Council that the above breach of planning control has occurred in the last four years.

The site lies immediately adjacent to the Westcoombe Avenue Conservation Area. Its character has derived from the spacing of the buildings and their front gardens with low boundary treatments. This, together with a relatively wide street, creates a sense of spaciousness and openness that is enhanced by the generous tree and shrub planting within gardens.

However, the front boundary treatment of 1a Westcoombe Avenue has enclosed a section of the road and together with the design and materials used, constitutes an obtrusive feature detrimental to the street-scene and the character and appearance of the conservation area.

The wall and gate are out of character with existing neighbouring front boundary treatments, and fails to

preserve or enhance the character or appearance of the Westcoombe Avenue Conservation Area.

5. WHAT YOU ARE REQUIRED TO DO

Remove the front boundary treatment, which consists of a wall with metal railings and a gate.

**Time for compliance:** Ninety days after the Notice takes effect.

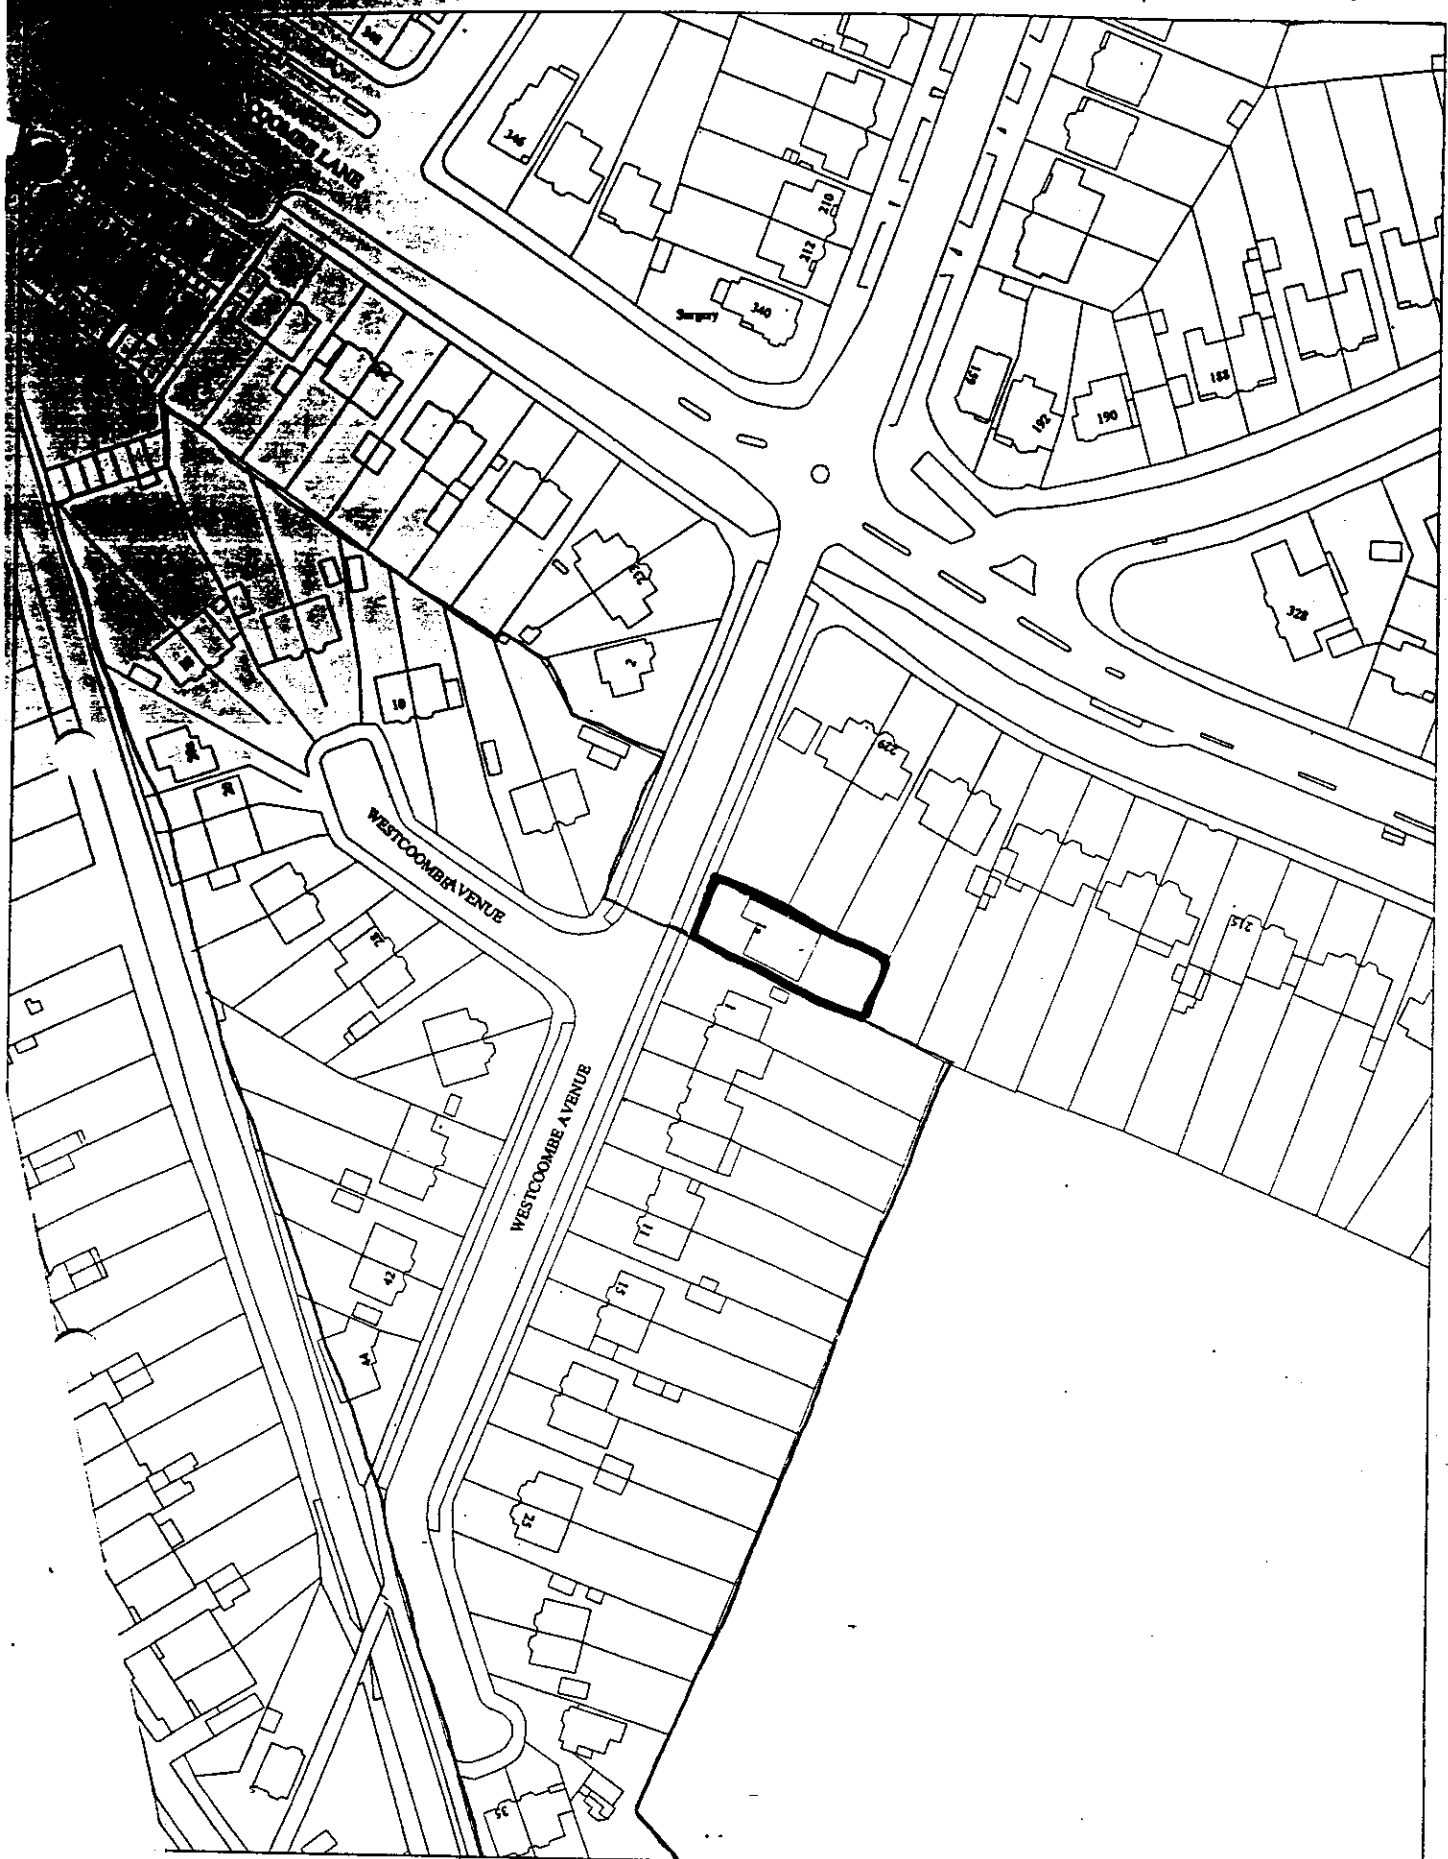

6. WHEN THIS NOTICE TAKES EFFECT

This Notice takes effect on the 26<sup>th</sup> August 2002 unless an appeal is made against it beforehand.

Dated the 25<sup>th</sup> July 2002
