Decision

Having considered the results of the informal consultation and officer's recommendation, I agree not to proceed with the proposed measures.

Reason for decision

Given the overwhelming opposition from the residents to the proposals in the immediate area. I have decided not to proceed with the recommendations.

Alternative options considered and why rejected

To proceed with to the statutory consultation or implement the proposed measures under an experimental Order but this would be contrary to the feedback received from the residents who responded to the informal consultation.
