Dear Business / Resident,

FIGGE'S MARSH JUNCTION ALTERATIONS

Proposed Works

TfL has identified this junction as requiring major alterations to improve traffic flows, particularly for buses, along with other major benefits to pedestrians and cyclists. This will involve removing the signalised roundabout to create a standard junction with a new set of traffic lights, pedestrian islands and widened footways.

Date and Time of Works

Works will be carried out in manageable stages commencing on the Monday 22 July 2019, weather permitting, with completion expected by Friday 20 December 2019. The final carriageway resurfacing and new road markings will be done in phases in December 2019 and you will be notified closer to time of the various road closures and diversion that will be in place. See the general layout plan overleaf.

The majority of work will generally be carried out on Mondays to Fridays, between the hours 8am and 5pm, except for the carriageway re-surfacing, which will be done in evenings between 9pm and 4am.

Traffic Management and Access Arrangements

During the working hours, access to properties and shops will be maintained at all times. However, in order that the works are carried out as quickly and efficiently as possible, temporary lane/road closures with traffic diversions and parking restrictions/suspensions may be introduced where necessary. "No Parking" cones and signs will also be in place to indicate the areas where and when parking is prohibited. It must be noted that whilst the restrictions are in place, illegally parked vehicles will be removed.

Further Information and Contact Details for the Works

The people looking after these works are:

James Geeson	Merton Council Engineer:	020 8545 3054
Gus Smith	FM Conway Ltd, Contract Manager	077 4863 2920 / 020 8636 8822

FM Conway will erect information boards on site and their staff will be able to update you on the progress as the works proceed. Please do not hesitate to ask the staff on site should you require any assistance. Merton Council and F M Conway Ltd apologise in advance for any inconvenience caused.
