Tell us what you think of the council's draft Estates Local Plan

1) Having read and considered the council's draft Estates Local Plan and supporting documents please indicate your preference at this stage for regeneration.

Please tick one of the following options:

Option 1: Demolish and redevelop the entire Estate

Redeveloping the whole estate would mean demolishing and replacing the existing buildings to provide well-designed energy efficient new homes and general improvement to the neighbourhood, including connections to the surrounding areas.

Option 2: Partial redevelopment

Retain some buildings and redevelop the majority of the estate to provide a number of benefits, such as well-designed energy

efficient new homes but with fewer benefits to the neighbourhood.

Option 3: Invest in existing properties to bring them to minimum modern standards

Refurbish all Circle Housing Merton Priory and leasehold properties to ensure they meet current minimum housing standards and have reasonable kitchens, bathrooms, windows, wiring and insulation. All leaseholders would have to share the costs of this work. This would not include changes to the outside areas.

(Please include details of the page number(s) and paragraph number(s) of the council's draft plan to which your comments relate. Please continue on a separate sheet and attach to this form clearly indicating the question you are writing about.)

As CHMP are not giving freeholders full value for their properties I gather you will meet any shortfall with current estate values. When announced Summer 2013 houses fetching £280,000 and the big increases in local surrounding houses which have not added onto our values over the past 2½ years. No where in my deeds does it state only lasting 50^{years} so therefore you sold me my house under false pretences. Any shortfall I will be looking for to recover from you. Our homes are not defective as you said so therefore ~~is~~ no need for a total knockdown.
