

Eastfields Estate – online responses

Q1. Should all homes on the Eastfields Estate be redeveloped?

No response

Q2. What size of homes should be provided?

No response

Q3. What type of homes should be provided?

No response

Q4. How should building heights be distributed across the estate?

No response

Q5. Are there any other issues or options we should consider regarding new homes?

Families need homes with safe gardens for children to be able to play outside, especially when their children are small. There needs to be smaller properties for older people to downsize to. Folks want to stay on familiar territory where their friends and support networks are.

Q6. What type of outdoor spaces would you prefer to see within the estate?

1. Concentrate on providing communal space for flats - This would be secure communal gardens available for groups of flats and not available for the general public

Q7. What types of play areas and open spaces would you prefer to see?

No response

Q8. What do you think is important in deciding the layout of buildings, spaces and streets on the estate?

Creating a mixture of types of buildings

Q9. Are there any other issues or options we should consider regarding open spaces and streets?

Please make sure there is enough car parking. A 'home area' like Laburnum Road would be a good idea.

Q10. How should greater use of public transport be encouraged?

Provide better bus facilities, for example, increased bus stops and bus frequencies, improved bus stops travel information AND

Provide better walking routes to Morden Station, bus and tram stops, shopping areas, parks and community facilities, such as well lit, safe, convenient and well maintained footways AND

Provide incentives to help residents use public transport more, such as taster pre-pay oyster card and special rail deals

Q11. Walking and cycling are healthy lifestyle choices. How can we support this?

Provide well-connected, attractive and safe cycle routes and footpaths AND

Provide safe and convenient crossings of busy roads and junction AND

Provide secure and convenient cycle storage AND

Provide cycling training and support, to help people to switch to cycling

Q12. How should parking be managed?

Introduce parking controls AND

Reduce the need for parking spaces by providing alternative ways for residents to access a car when needed such as car clubs

Q13. Are there any other issues or options we should consider regarding transport?

Could a bus run through the estate? Maybe the 463 could make a diversion?

Q14. Should new community facilities be provided within the estate?

No, the existing local community facilities on the estate and nearby are enough

Q15. How could refurbishment or regeneration support existing and new employment?

Employ local businesses and apprentices through the refurbishment or regeneration process

Q16. Are there any other issues or options we should consider regarding social and economic opportunities?

I believe the shops near to Eastfields are sufficient. It would be v helpful if residents could get to Mitcham town centre easily as this will give benefit to the town centre.
