

High Path Estate – online responses

Q1. Should all homes on the High Path Estate be redeveloped?

Option 1: Demolish and redevelop the entire High Path Estate.

Q2. What size of homes should be provided?

Option 1: you agree with a mix of different sizes of homes as set out above

Q3. What type of homes should be provided?

Option 1: A mix of mainly houses and flats on different parts of the estate

Q4. How should building heights be distributed across the estate?

Buildings should be broadly similar height across the estate

Q5. Are there any other issues or options we should consider regarding new homes?

Think about designing to prevent crime and anti-social behaviour e.g. limiting alleyways. Parking should be underground and secure where possible.

Q6. What type of outdoor spaces would you prefer to see within the estate?

Provide a single public open space for everyone to enjoy - This would be open to the general public. Communal gardens for groups of flats would remain, but may have to be significantly smaller to accommodate land for public open space

Q7. What types of play areas and open spaces would you prefer to see?

Communal gardens such as areas with planting and seating suitable for picnicking and where ball games might be prohibited AND

Children's play equipment

Q8. What do you think is important in deciding the layout of buildings, spaces and streets on the estate?

Making easy connections within the estate and to the surrounding area AND

Creating a mixture of types of buildings and spaces

Q9. Are there any other issues or options we should consider regarding open spaces and streets?

No response

Q10. How should greater use of public transport be encouraged?

Provide better bus facilities, such as increased bus stops and bus frequencies, improved bus stops travel information AND

Provide better walking routes to rail, tube, tram stations, shopping areas, open spaces and community facilities, such as well lit, safe, convenient and well maintained footways

Q11. Walking and cycling are healthy lifestyle choices. How can we support this?

Provide well-connected, attractive and safe cycle routes and footpaths AND

Provide safe and convenient crossings of busy roads and junctions AND

Provide secure and convenient cycle storage

Q12. How should parking be managed?

Introduce parking controls

Q13. Are there any other issues or options we should consider regarding transport?

Parking should be underground to keep the estate clear of cars - i.e. safe pedestrian only

Q14. Should new community facilities be provided within the estate?

No, the existing local community facilities on the estate and nearby are enough

Q15. How could refurbishment or regeneration support existing and new employment?

Provision of space for businesses on or near the estate AND

Employ local businesses and apprentices through the refurbishment or regeneration process

Q16. Are there any other issues or options we should consider regarding social and economic opportunities?

Integrated shopping & decent supermarket (e.g. Sainsbury's local) Employ local safety wardens to help keep safe.
