

RESERVOIRS ACT 1975**CERTIFICATE UNDER SECTION 10(6),
AS TO THE CARRYING OUT OF
SAFETY RECOMMENDATIONS**

I, Dr Andrew K Hughes of Dams & Reservoirs Ltd, c/o Hall Farm, Church Lane, North Clifton, Newark, Notts NG23 7AP being a member of the All Reservoirs Panel, appointed by London Borough of Merton to supervise the carrying into effect at the reservoir known as Wimbledon Park Lake, situated about 1.5 km north of the centre of Wimbledon in the London Borough of Merton at National Grid Reference TQ 247 724, of measures taken in the interests of safety recommended in a report made by Mr Henry W M Hewlett on 22nd April 2014, am satisfied that those measures stated under 15.1 (ii) have been carried into effect.

Note:

The recommendation requires the timescale for implementation of improvements and I consider that this should be within 3 years of the completion of the options report for the improvements i.e. by the 15th January 2022.

Signature of the Engineer

Date of Certificate: 30th April 2018
