6. Decision

To proceed with officer's recommendations
1. To undertake a statutory consultation on reducing the speed limit to 30mph and to introduce a speed table and in the absence of any objections to proceed with implementation.
2 To implement pedestrian refuges

7. Reason for decision

To ensure the safety of all road users and to provide informal but safe crossing facilities for cyclists and pedestrians.

8. Alternative options considered and why rejected

To retain existing 40mph speed limit. This will do nothing to reduce the number and severity of accidents and with potentially more vulnerable road users using Croydon Road, a higher speed limit poses an unnecessary safety risk.
