

Dear Resident/Business,

This leaflet is to update you of the outcome of the statutory consultation that was carried out between 5 October and 10 December 2017 on the proposals to introduce a Controlled Parking Zone (CPZ) GC2 St Barnabas Area to include Ashbourne Road, Carlingford Gardens, Edenvale Road, Figge's Road, Framfield Road, Gorrington Park Avenue (Between Bruce Road and Treatham Road), Heaton Road, Manship Road, Milton Road, St Barnabas Road, St James' Road, Stanley Road, Streatham Road (Between the Railway Bridge and Manship Road), Thirsk Road, Tynemouth Road, Uckfield Grove and Woodland Way.

The statutory consultation resulted in 47 representations received which include 2 representations in support, 10 comments and 35 against the proposal mainly from those roads that were against the CPZ during the informal consultation asking to be removed from the scheme. The Council also received a petition (17 signatures) requesting that the proposed double yellow lines in Uckfield Grove be removed from the scheme. All representations received during the statutory consultation along with officer's recommendations were reported to the Cabinet Member for Regeneration, Environment and Housing in February 2018. After careful consideration the following have been agreed:

- To proceed with making of the Traffic Management Orders (TMOs) and the implementation of the proposed GC2 to include Ashbourne Road, Edenvale Road, Figge's Road, Gorrington Park Avenue (Between Bruce Road and Streatham Road), Heaton Road, Milton Road, St Barnabas Road, St James' Road, Stanley Road, Streatham Road (Between the Railway Bridge and Manship Road), Thirsk Road, Tynemouth Road, and Woodland Way, operational Monday to Friday between 8.30am and 6.30pm
- To proceed with making of the TMOs to introduce electric charging points in St Barnabas Road, Edenvale Road and Streatham Road.
- To exclude Framfield Road, Manship Road and Uckfield Grove from the GC2 CPZ. However, due to safety and access, it is proposed to introduce the proposed double yellow lines.
- To proceed with the making of the relevant Traffic Management Orders (TMOs) and the implementation of the 'At any time' waiting restrictions within the proposed zone.

What happens next

The final made TMO, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected areas. It is anticipated that the CPZ will come into operation on **30 July 2018**. The report and the decision sheet can be viewed on the Council's website, www.merton.gov.uk/cpzgc2

Date: 31 May 2018

Dear Resident / Business

Following the Council's decision to introduce the GC2 CPZ in St Barnabas Road area, I am writing to inform you that the works will start on 25 June 2018, and will be carried out by F M Conway Ltd on behalf of the Council.

DATE AND TIME OF WORKS

The works including street cleansing are programmed to start the week commencing 25 June 2018 for a period of 2 weeks, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road to park once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation.

Notices and cones will be placed in your road 12 – 24hrs prior to work being undertaken.

SCHEDULE OF WORKS: The work schedule of when your road will be marked is shown below.

- Ashbourne Road **25 June**
- Heaton Road and Tynemouth Road **26 June**
- Thirsk Road and St Barnabas Road **27 June**
- Stanley Road, Milton Road and Edenvale Road **28 June**
- Woodland Way and Streatham Road **29 June & 2 July**
- Gorringe Park Avenue **3 July**
- Figge's and St James **Road 4 July**

The information pack on how to apply for your permit will follow shortly (roads included in the CPZ only). For permit related issues please contact Parking Services on 020 8545 4661. The Council is conscious of the inconvenience and the disruption these works may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience.

FURTHER INFORMATION AND CONTACT DETAILS FOR THE WORKS:
