*Date:* 1 November 2018

**Dear Resident / Business**

Following the Council's decision to introduce the GC2 CPZ in Framfield Road, I am writing to inform you that the works will start on 21 November 2018, and will be carried out by F M Conway Ltd on behalf of the Council.

**DATE AND TIME OF WORKS**

The works including street cleansing are programmed to start the week commencing 21 November 2018 for a period of 2 days, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. While work is being undertaken in your street, we request that you park your car in the existing permit parking bays in St James Road and Gorrige Park Avenue and display the yellow card provided on the dashboard of your vehicle (if you have more than two cars, please find alternative parking space for the third car. By doing so, this will keep the road free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road to park once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation. Residents will not be allowed to park on the completed bays when the work is in progress during the day.

The information on how to apply for your permit will follow shortly. For permit related issues please contact Parking Services on 020 8545 4661. The Council is conscious of the inconvenience and the disruption that these works may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

**Proposed Controlled Parking Zone  
(CPZ) GC2 extn - Framfield Road.**

ISSUE DATE : 1 NOVEMBER 2018

**Dear Resident / Business**

This leaflet is to update you of the outcome of the statutory consultation that was carried out between 6 and 28 September 2018 on the proposals to extend GC2 Controlled Parking Zone (CPZ) to include Framfield Road, operational Monday to Friday between 8.30am and 6.30pm.

The statutory consultation resulted in 41 representations which included 40 representations in support and 1 objection. All representations received during the statutory consultation along with officer's recommendations were reported to the Cabinet Member for Member for Regeneration, Housing and Transport in February 2018. After careful consideration the following have been agreed:

- to proceed with making of the Traffic Management Orders (TMOs) and the inclusion of Framfield Road in existing CPZ GC2 that operates Monday to Friday between 8.30am and 6.30pm.
- to proceed with the making of the relevant Traffic Management Orders (TMOs) and the implementation of the 'At any time' waiting restrictions.

**What happens next**

The final made TMO, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected areas. It is anticipated that the CPZ will come into operation on **10 December 2018**.

The report and the decision sheet can be viewed on the Council's website, [www.merton.gov.uk/cpzgc2](http://www.merton.gov.uk/cpzgc2)

**Please see overleaf for details of the schedule of works.**
