Date: 20 February 2017

Dear Resident / Business

Following the Council's decision to introduce the M2 CPZ extension to include Farm Road and Faversham Road and waiting restrictions, I am writing to inform you that the works will start on **5 March 2018**, which will be carried out by F M Conway Ltd on behalf of the Council.

DATE AND TIME OF WORKS

The works including street cleansing are programmed to start the week commencing 5 March 2018 for a period of 1 week, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road to park once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation. Residents will be allowed to park on the completed bays during the implementation work.

Notices and cones will be placed in your road 12 – 24hrs prior to work being undertaken.

SCHEDULE OF WORKS: The work schedule of when your road will be marked is shown below.

- Farm Road and Faversham Road between **3 & 4 April**.
- Combermere Road, Crowland Walk, Cerne Road, Croxden Walk and Canterbury Road between Combermere and Croxden Road junctions between **5 & 6 April**.
- Canterbury Road between Combermere Road and Bristol Road junctions, Calder Road and Chester Road on **9 April**.

The information pack on how to apply for your permit will follow shortly (**Farm Road and Faversham Road only**). For permit related issues please contact Parking Services on 020 8545 4661. The Council is conscious of the inconvenience and the disruption these works may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience.

LONDON BOROUGH OF MERTON

Proposed Controlled Parking Zone (CPZ) M2 - Farm Road and Faversham Road. waiting Restrictions - Canterbury Road area.

ISSUE DATE : 20 FEBRUARY 2018

Dear Resident / Business

This leaflet is to update you of the outcome of the statutory consultation that was carried out between 7 and 29 September 2017 on the proposals to extend M2 Controlled Parking Zone (CPZ) to include Farm Road and Faversham Road, operational Monday to Friday between 10am and 4pm.

The statutory consultation resulted in 16 representations with 2 comments and 14 objections from some of the narrow roads who are against the proposed double yellow lines and the loss of parking spaces. Residents were informed during the meeting organised by the local ward Councillors and within the informal consultation leaflet that to ensure safety and access officers will recommend the proposed double yellow lines whether the CPZ goes ahead or not. As with any scheme, safety and access always take priority over parking space. All representations received during the statutory consultation along with officer's recommendations were reported to the Cabinet Member for Regeneration, Environment and Housing in December 2017. After careful consideration the following have been agreed:

- To proceed with the making of the relevant Traffic Management Orders (TMOs) and the implementation of the proposed 'M2' CPZ extension to include Farm Road and Faversham Road, operational Monday to Friday between 10am and 4pm.
- To proceed with the making of the relevant Traffic Management Orders (TMO) and the implementation of waiting restrictions in Canterbury Road area operational 'At any time'.

- To carry out a statutory consultation to extend the length of double yellow lines in Faversham Rd at its junction with Middleton Rd roundabout.

What happens next

The final made TMO, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected areas. It is anticipated that the CPZ will come into operation on **16 April 2018**. The report and the decision sheet can be viewed on the Council's website, www.merton.gov.uk/cpzm2

Please see overleaf for details of the schedule of works.
