Dear Resident/Business

Following the statutory consultation to introduce parking restrictions in Somerset Road (private section between Seymour Road and Burghley Road), I am writing to inform you that the works will be carried out by F M Conway Ltd on behalf of the Council as detailed below. **Only the sections of roads mentioned above will be affected by the scheduled works.**

Date and Time of Works

It is anticipated that the works will start 4th March 2014 for a period of 4 days. The lining and signing work should take 2 - 4 working days to complete, weather permitting and will be carried out between the hours of 9am and 4.30pm.

To allow the works to be carried out and completed as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking will be prohibited. By doing so, this will keep the work area of the roads free of parked vehicles to allow a smooth transition of the works. Vehicles would be allowed back onto the section roads once the lining work is complete or at the end of the working day.

Advance notices and cones will be placed in your road between 12 and 48 hours prior to works being undertaken. Any offending vehicles which are parked during the restricted times run the risk of receiving a fine and possible relocation. The Council is conscious of the inconvenience that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.
