

Proposed Road Improvements Kirkley Road, Kingston Road South Wimbledon

Councillor Andrew Judge

Cabinet Member for
Environmental Sustainability
and Regeneration

T: 020 8545 3425
E: andrew.judge@merton.gov.uk

ISSUE DATE : 4 NOVEMBER 2014

Dear Resident

Following consultation on the environmental improvement proposals to the Shelton Road area, you may be aware that it was decided not to proceed with the planned construction of the junction entry treatment at Kirkley Road/Kingston Road junction until further consideration was given to objections received.

Since the completion of the other measures, we have received requests from some residents for the introduction of the junction entry treatment as originally intended. It is considered that the entry treatment would complement the implemented scheme and meet the overall objectives by providing better awareness to drivers that are entering a residential area creating a safer, more vibrant environment for all roads users.

A plan is enclosed showing an amended design, which maintains the existing road width. The associated yellow line waiting and loading restrictions will remain the same as formally advertised in January 2014.

Please see the photos on the attached drawing showing examples of junction entry treatments recently installed in the area.

LET US KNOW YOUR VIEWS

The decision on whether or not to proceed with the implementation of the junction entry treatment, will be subject to the responses received.

We would ask that you respond to this consultation by completing the on-line questionnaire using the link provided at www.merton.gov.uk/kirkleyroad_improvements by 18th November 2014. The on-line system has been created to keep costs down and allow the Council to process your views more efficiently and quickly. **However, if you do not have internet access, please contact us on 020 8545 3224 and we will send you a copy of the questionnaire.**

WHAT HAPPENS NEXT

All responses will be presented to the Cabinet Member for Environmental Sustainability and Regeneration and once a final decision is made you will be informed accordingly.

If you require any further information, please contact Matthew Wroe on 0208 545 3224 or email trafficandhighways@merton.gov.uk. Alternatively, this information can be viewed on our website www.merton.gov.uk/kirkleyroad_improvements
