

### Dear Resident / Business

Following the Council's decision to extend the existing Controlled Parking Zone MP1 in the Merton Park South area, I am writing to inform you that the works will start in June 2016, which will be carried out by F M Conway Ltd on behalf of the Council.

### DATE AND TIME OF WORKS

It is anticipated that the works will start the week commencing 13 June 2016 for a period of 3 weeks, weather permitting. Work will be carried out between 8am and 4.30pm. To allow the works to be carried out as quickly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back into the road once the lining work is complete or after the working day. Offending vehicles run the risk of receiving a fine and possible relocation. Residents will be allowed to park on the completed bays during the implementation work.

Notices and cones will be placed in your road 12 – 48hrs prior to work being undertaken.

The work schedule of when your road will be marked is shown below.

### SCHEDULE OF WORKS:

Keswick Avenue and Kenley Road 13 - 15 June.

Mostyn Road 16 - 17 June.

Tybenham Road Poplar Road South 20 - 23 June.

The information pack on how to apply for your permit will follow shortly. The Council is conscious of the inconvenience and the disruption that this work may cause and will endeavour to keep the impact to a minimum. We apologise in advance for any inconvenience that may be caused by these works.

### FURTHER INFORMATION AND CONTACT DETAILS FOR THE WORKS:

- Gus Smith 07748632920 - FM Conway Ltd (Signing Contractor)
- Tarkan Omer, 0791 9493 010 - FM Conway Ltd (Lining Contractor)
- Paul Atie 020 8545 3214 - Merton Council.

## Proposed Controlled Parking Zone (CPZ) MP1 Ext - Merton Park South Area.

ISSUE DATE : 20 MAY 2016

### Dear Resident / Business

This leaflet is to update the community of the outcome of the statutory consultation that was carried out in December 2015, and to inform you of the Council's decision on the proposal to introduce 'MP1' Controlled Parking Zone (CPZ) to include Cranleigh Road, Kenley Road, Keswick Avenue, Tybenham Road and Poplar Road South as shown in plan overleaf.

The representations received to the statutory consultation along with officer's recommendations were reported to the Cabinet Member for Environment Sustainability and Regeneration in April 2016. After careful consideration the following have been agreed:-

1. to proceed with the making of the relevant Traffic Management Orders (TMOs) and the implementation of a proposed 'CPZ' MP1 to include Cranleigh Road, Keswick Avenue, Kenley Road (between Circle Gardens and Mostyn Road), Mostyn Road (the unrestricted section), Tybenham Road and Poplar Road South operational Monday to Friday between 10am and 4pm.
2. to proceed with the making of the relevant Traffic Management Orders (TMOs) and the implementation of the 'At any time' waiting restrictions (as consulted) in Cranleigh Road, Keswick Avenue and Tybenham Road.
3. to undertake a statutory consultation to re-site the Permit Holder bays in Keswick Avenue from the west side at its junction with Kenley Road to the east side of the road.
4. to undertake a statutory consultation to change the pay and display bays opposite St Georges Square entrance to shared use bays.
5. for officers to make minor amendments to the proposed parking arrangement as requested by ward councillors and residents to further improve the scheme.
6. that in the absence of any objections to the statutory consultation for items 3, 4 and 5 to proceed to implementation.

The report and the decision sheet can be viewed on our website. [www.merton.gov.uk/cpzmp1ex](http://www.merton.gov.uk/cpzmp1ex).

**Due to the complaints received from some residents regarding the proposed double yellow lines in Cranleigh Road, the extension of this road may be implemented at a later date.**

### What happens next

The Traffic Management Orders, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area. It is anticipated that the CPZ will come into operation on 11 July 2016

Please see overleaf for details of the schedule of works.

Finally we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please email [trafficandhighways@merton.gov.uk](mailto:trafficandhighways@merton.gov.uk).

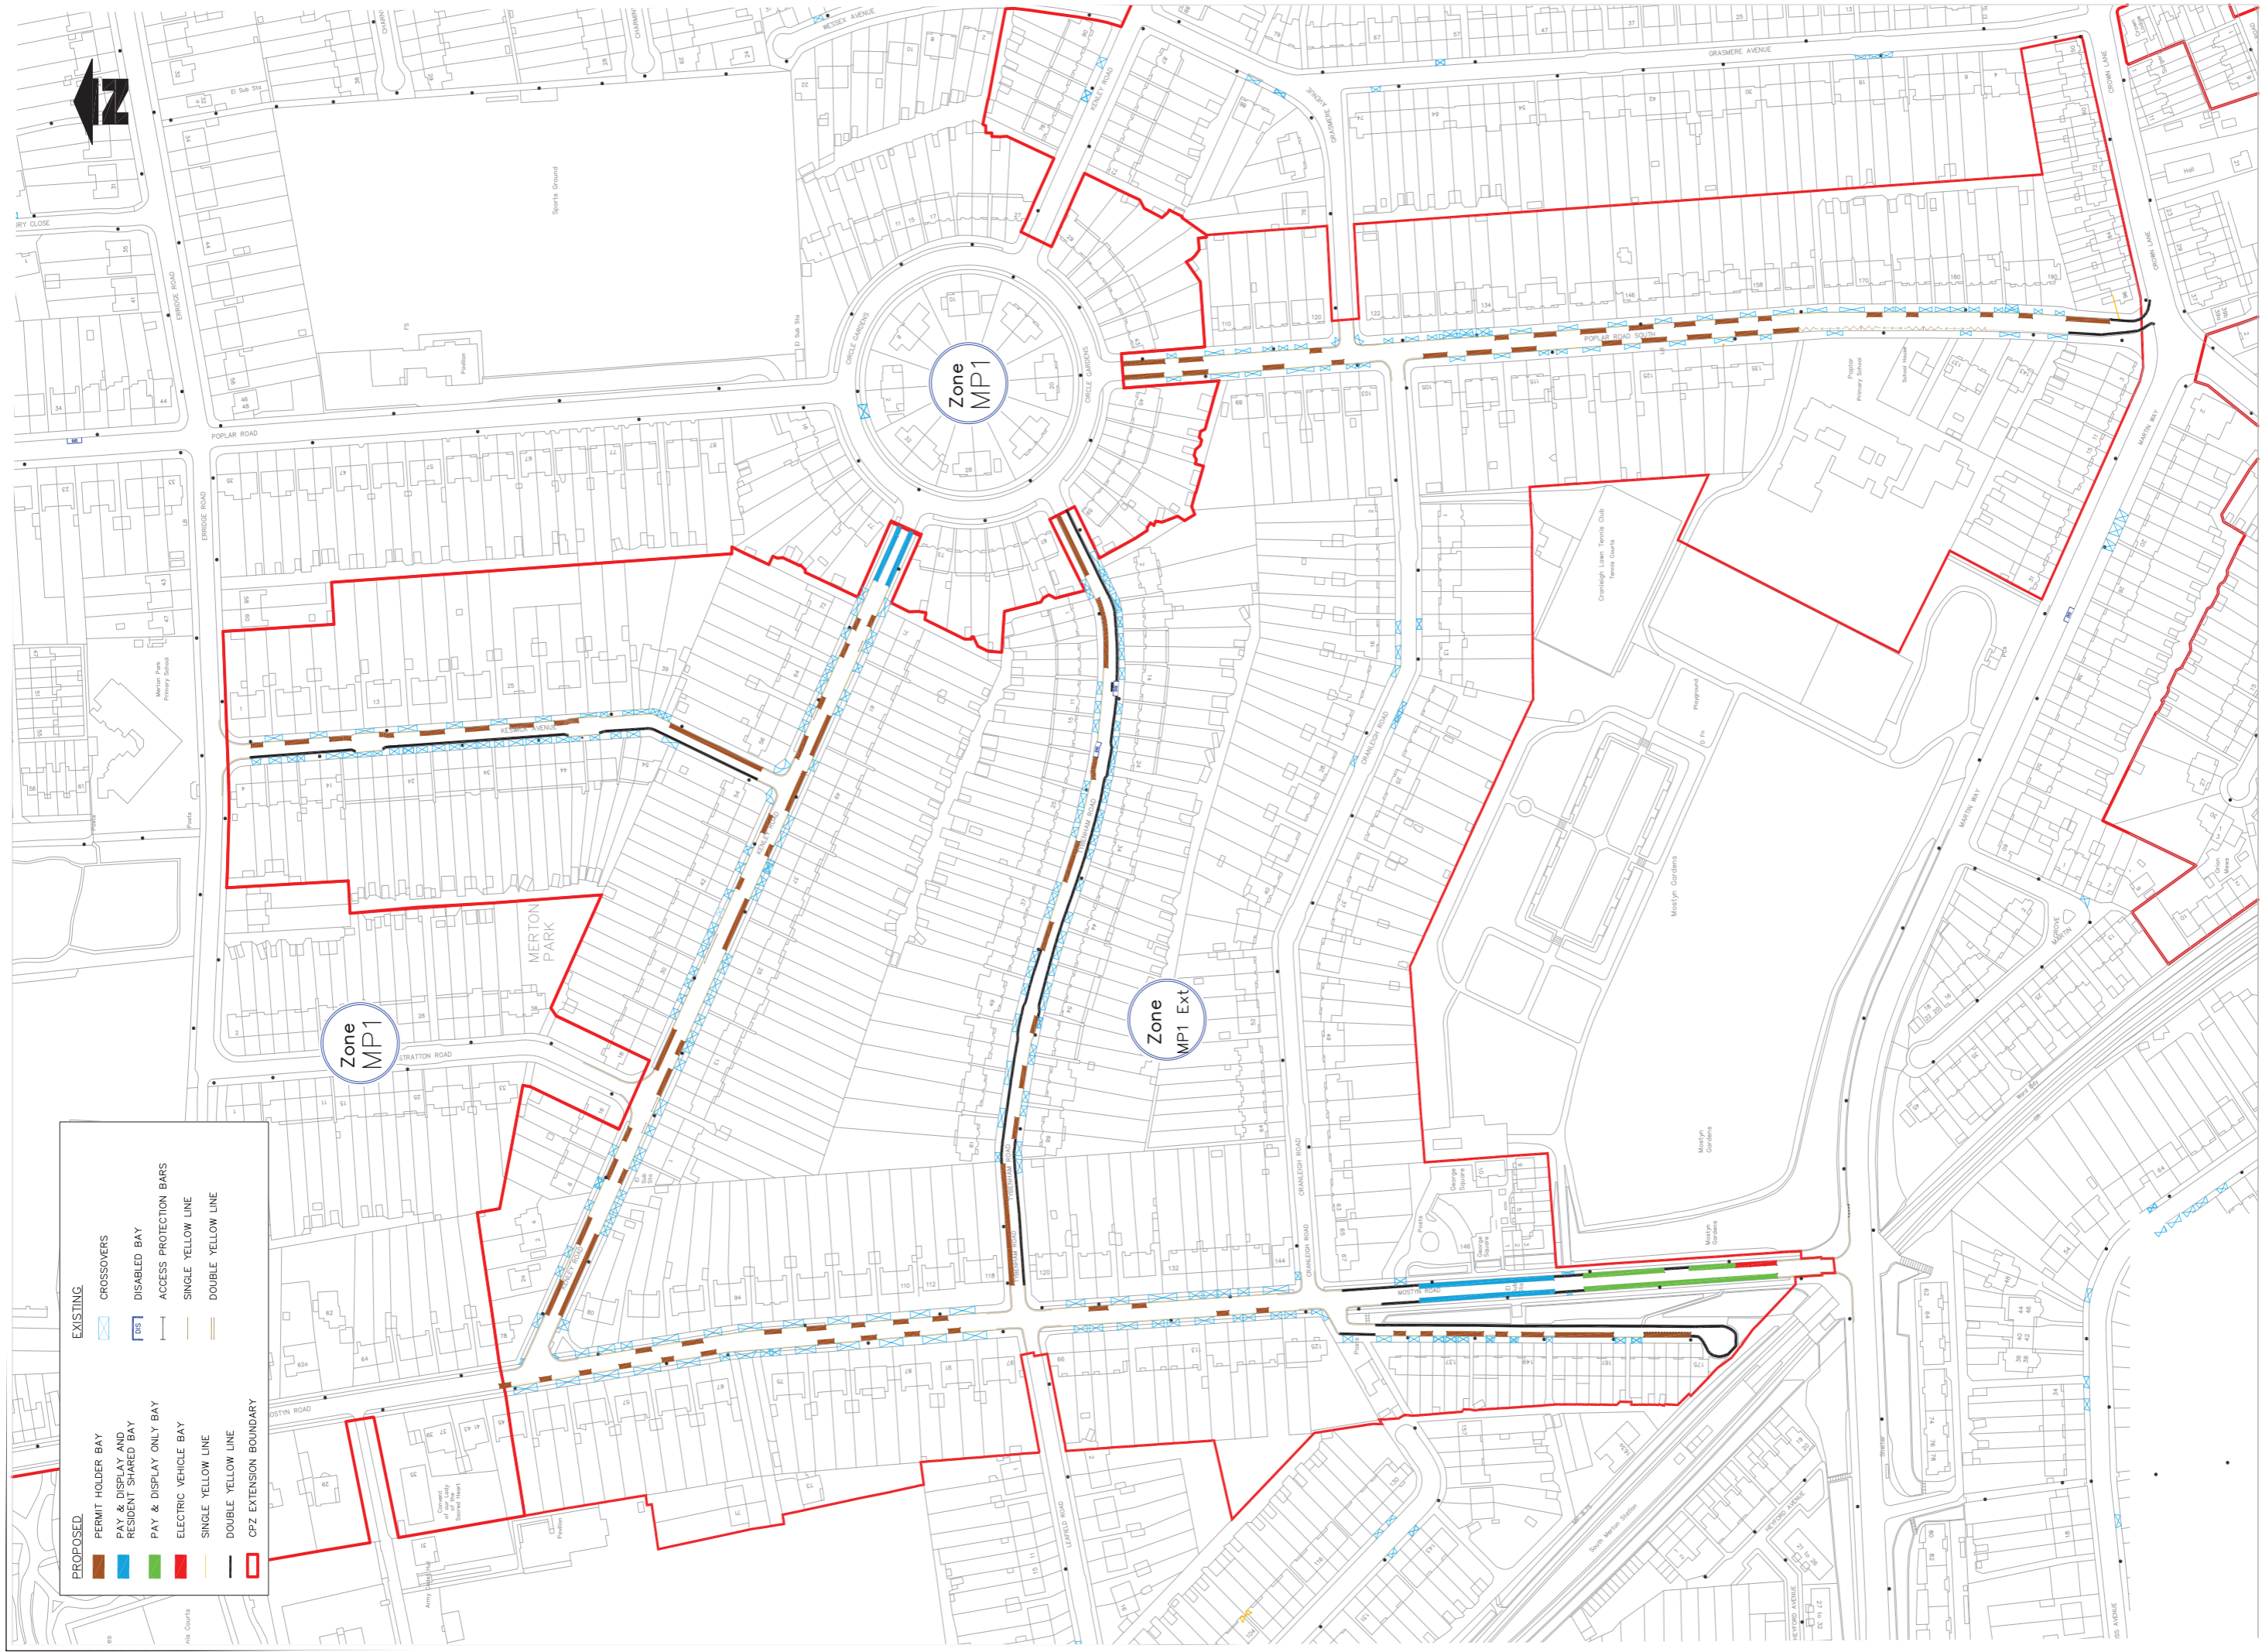

Alternatively, this information can be viewed on Merton Council's web site [www.merton.gov.uk/cpzmp1ex](http://www.merton.gov.uk/cpzmp1ex).
