

Road Improvements Milner Road area South Wimbledon

Councillor Andrew Judge

Cabinet Member for
Environmental Sustainability
and Regeneration

T: 020 8545 3425
E: andrew.judge@merton.gov.uk

ISSUE DATE : 9 DECEMBER 2013

Dear Resident/Business,

The purpose of this newsletter is to inform you that Merton Council is planning to introduce measures in your road, as shown on the plan overleaf, to form part of the on-going highway improvements in the South Wimbledon area.

As part of this initiative we will be introducing measures to include, a entry treatments Brisbane Road at the junction with Kingston Road whereby the road is raised with ramps to the same level as the footway similar to Pincott Road in Merton High Street; removal of the gate to include collapsible bollards and trees instead; removal of the No-Entry into Milner Road from Brisbane Road and its width restriction; and new trees accompanied by free standing planters.

These measures should provide better awareness to passing traffic and a safer, more vibrant environment for all roads users including the residents.

WHAT HAPPENS NEXT

It is planned to commence the construction work in February, with completion by March 2014. You will receive a letter in the New year with details of the precise dates, times and temporary traffic arrangements. If you have any comments, please let us know by **Friday 20 December 2013**, which will be considered in the final design. Alternatively, this information including 3D images of the designs can be also viewed in a larger format on our website using the following link www.merton.gov.uk/homezonelite_swimbleton

To accompany these measures, certain alterations to parking restrictions will require a statutory consultation, which will be carried out in due course. This will involve Notice of the Council's intentions published in the local newspaper and posted on lamp columns in the vicinity along with letters to residents and businesses in the vicinity.

If you require any further information, please contact James Geeson on 020 8545 3054 or at trafficandhighways@merton.gov.uk
