

Dear Resident/Business,

The purpose of this newsletter is to inform you of the outcome of the informal consultation carried out in June 2012, and to advise you on the Council's decision NOT to proceed with the experimental traffic management proposals for the Belvedere area.

A total of 2240 residents were consulted and 701 responses were received by the closing date of 9 July 2012. The overall results (overleaf) shows 11.3% in support of the proposals, 83.7% against and 5% undecided. The results and officers' recommendations were reported to the Cabinet Member for Environmental Sustainability and Regeneration and the Street Management Advisory Committee meeting on 4 December 2012.

The Cabinet Member for Environmental Sustainability and Regeneration has agreed NOT to proceed with the experimental traffic management proposals, and ask officers to develop alternative options to restrict through traffic from using the area. Any new proposals will also consider potential impact on local businesses and other areas within the borough that may be adversely affected.

### WHAT HAPPENS NEXT

The Cabinet Member, Ward Councillors and officers will meet to discuss and agree possible traffic measures for consultation with the wider community. It is anticipated that this initial meeting will take place before the end of March 2013.

Finally, we would like to thank you for your participation in the consultation process and for your feedback. If you require any further information, please contact Edward Quartey, on telephone number 020 8545 3690 or email him at [trafficandhighways@merton.gov.uk](mailto:trafficandhighways@merton.gov.uk). Alternatively, this information can be viewed on Merton Council's website, [www.merton.gov.uk/belvederearea](http://www.merton.gov.uk/belvederearea).
