

ENVIRONMENT AND REGENERATION DEPARTMENT
Chris Lee - Director

James McGinlay
Head of Sustainable Communities
London Borough of Merton
Merton Civic Centre
London Road
Morden SM4 5DX

Date: 6 November 2015

Dear Occupier,

Following the Council's decision to introduce a parking restrictions in Weir Road area, I am writing to inform you that the works will start shortly and will be carried out by F M Conway Ltd on behalf of the Council.

Date and Time of Works

Works will be carried out over the weekends on 28 - 29 November and 5 - 6 December 2015, weather permitting. Work will be carried out between 08.00 and 17.00 only.

Traffic Management and Access Arrangements

To allow the works to be carried out as swiftly as possible, temporary parking restrictions will be introduced. "No Parking" cones and signs will be in place to indicate the areas where parking would be prohibited. By doing so, this will keep the roads free of parked vehicles allowing a smooth transition of the works. Vehicles would be allowed back onto the road once the lining work is complete. Offending vehicles run the risk of receiving a fine and possible relocation. Notices and cones will be placed in your road 12-48 hours prior to work being undertaken. Vehicular access to properties fronting the works will be maintained while work is in progress.

Further information and contact details for the works:

Merton Council – Barry Copestake 020 8545 3840

FM Conway Ltd – Gus Smith 07748632920 (Signing Contractor): 0791 9493 010

FM Conway Ltd – Tarkan Omer (Lining Contractor): 07880 097 106

Proposed Waiting Restrictions - Weir Road Area

ISSUE DATE : 6 NOVEMBER 2015

Councillor Andrew Judge
Cabinet Member for
Environmental Sustainability
and Regeneration
T: 020 8545 3425
E: andrew.judge@merton.gov.uk

Dear Business

The purpose of this leaflet is to update the community of the outcome of the statutory consultation that was carried out in August 2015, and to inform you of the Council's decision on the proposal to introduce waiting and loading restrictions (double yellow lines) in Weir Road, Endeavour Way, Archway Close, Brickfield Road and at the junction of Durnsford Road and Endeavour Way, as shown on the enclosed plan.

The representations received along with officers' recommendations were reported to the Cabinet Member for Environmental Sustainability and Regeneration in September 2015. After careful consideration it has been agreed to proceed with the making of the Traffic Management Orders (TMO) and the implementation of the proposed waiting and loading restrictions including a disabled parking bay in Weir Road.

The report and the Council's decision can be viewed online using the following link:

www.merton.gov.uk/wr_weir_road

Please see overleaf for details of the schedule of works.

What happens next

The Traffic Management Orders, which allows the restrictions to be implemented and administered, will be published in the London Gazette and the local newspaper shortly. Notices will also be placed on lamp columns in the affected area. It is anticipated that the restrictions will come into operation on 7 December 2015, weather permitting.

Finally we would like to thank you for your participation in the consultation process and for your feed-back. If you require any further information, please email trafficandhighways@merton.gov.uk.

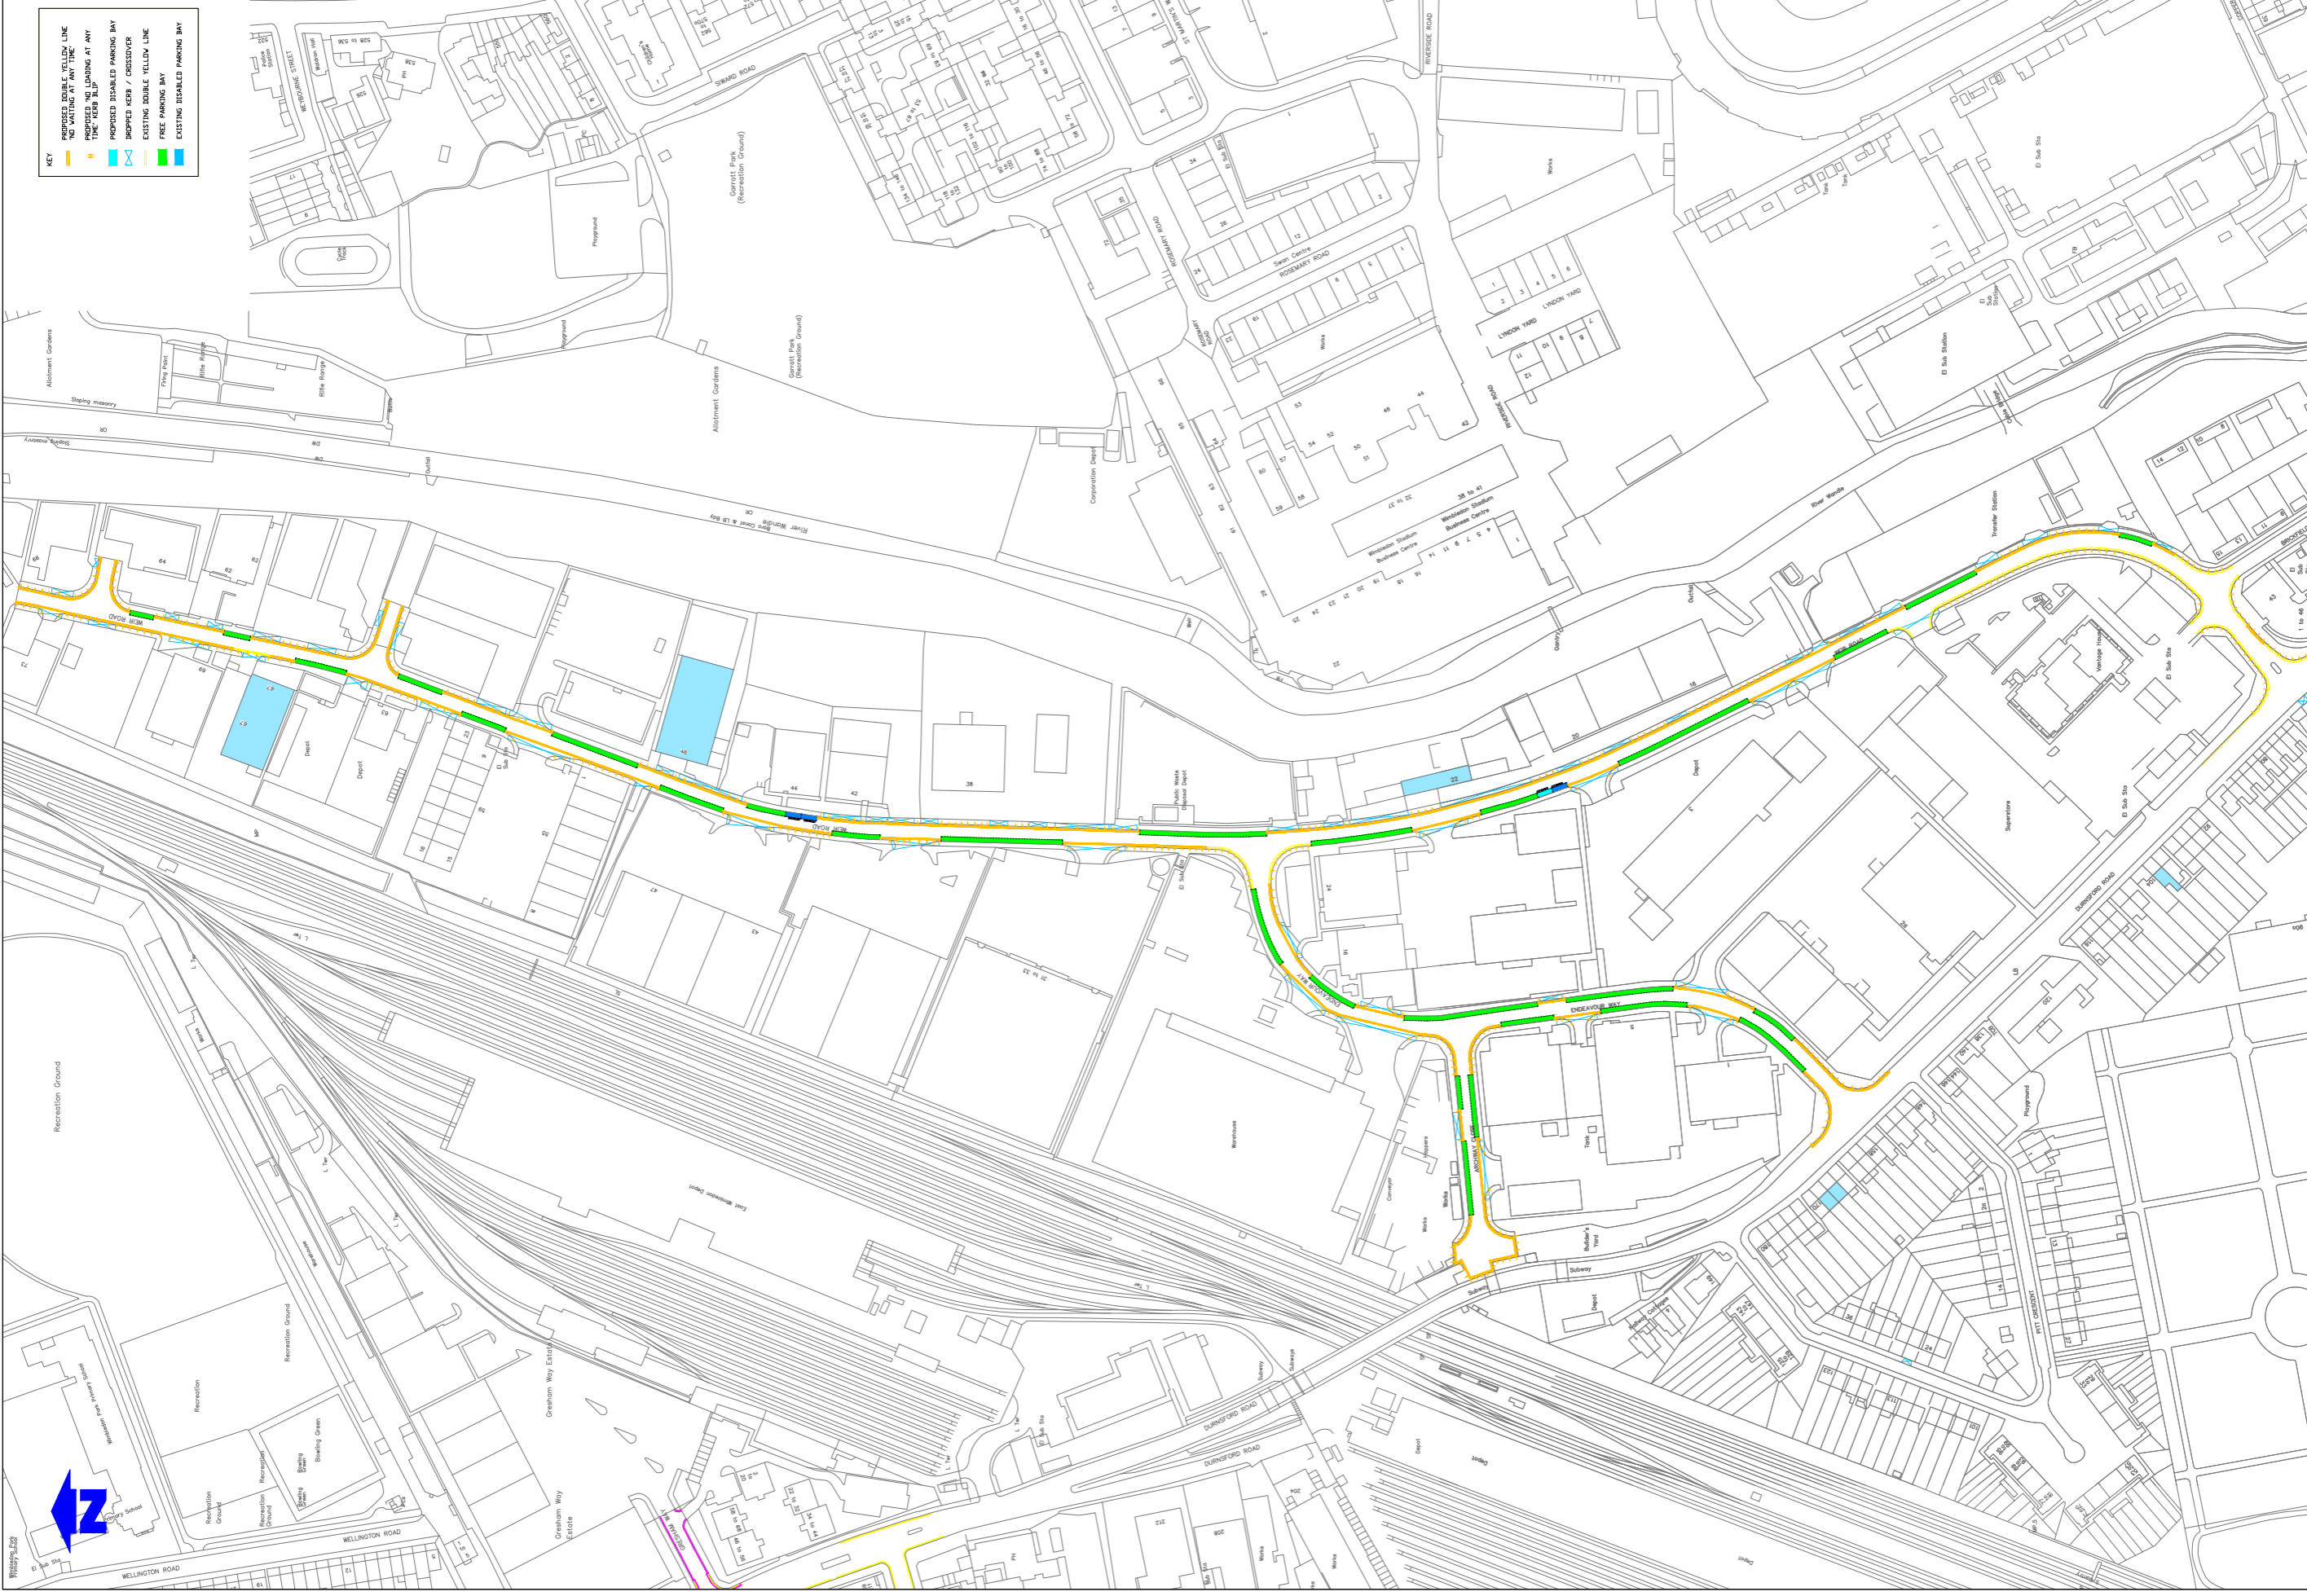

Alternatively, this information can be viewed on Merton Council's web site www.merton.gov.uk/wr_weir_road
