

ISSUE DATE : 04 DECEMBER 2015

Dear Resident/Business,

The purpose of this newsletter is to inform you that Merton Council has been successful in its bid to Transport for London (TfL) to fund safety improvements across the Borough. To improve pedestrian safety and accessibility in the Western Road area it is proposed to introduce raised tables on the entrance to Lowry Crescent, Heyford Road, Lewis Road and Dorset Road as shown on the plan overleaf. Further to this double yellow lines will be installed 10m either side of the named junctions; this will improve visibility for vehicles entering Western Road and provide a safer environment for pedestrians when crossing at the junction.

A copy can also be inspected at Mitcham Library, 157 London Road, Mitcham, CR4 2YR. Alternatively, this information can be viewed on our website using the following link [www.merton.gov.uk/westernroad](http://www.merton.gov.uk/westernroad)
