

SCHOOL STREET - POPLAR PRIMARY

UPDATE

FEBRUARY 2022

Dear Resident,

The purpose of this newsletter is to inform you of an update to the previous newsletter we sent you in January 2022, which informed you that the school street has been made permanent and further advised you of the start of a statutory consultation for changing the existing hours of operation.

However, based on the latest information we have received on the school's hours, it has been concluded that the operational hours should remain as existing i.e. 8.00 – 9.15 am & 2.30 – 4.00 pm, Monday to Friday, during term times only.

We do apologise for the inconvenience and thank you for your understanding and cooperation.

All available information and updates are available on the Council's website www.merton.gov.uk/schoolstreets

With regards to the signage, as previously advised, where considered appropriate, arrangements will be made to enhance the warning signs on approach to the school street.
