3. Revocation

Without prejudice to the validity of anything done or to any liability incurred in respect of any act or omission before the coming into operation of this Order the following Orders are hereby revoked:

The Merton (Off-Street Parking Places) (No. 1) Order 2019(b);

The Merton (Of-street Parking Places) Minor Order 2021(c)

4. Use of land and parking places

- (1) Each area of land specified by name in Column 1 of the Schedule may be used, subject to the following provisions of this Order, as a parking place for such classes of vehicles, on such days and at such times as are specified in relation to that area in the said Schedule.
- (2) Where in Column 3 of the Schedule a parking place is described as available for vehicles of a specified class, the driver of a vehicle shall not permit it to wait in that parking place unless it is of the specified class.

(a) S.I. 2000 No. 683

(b) L.B.M 2019/193

(c) L.B.M. 2021/53

- (3) A driver leaving a vehicle in a parking place shall not leave the vehicle in a restricted area within the parking place or in any position in the parking place in which it will obstruct access to the parking place, to any premises adjoining the parking place or to any access way within the parking place.
- (4) Every vehicle left in a parking place shall stand so that every part of the vehicle is wholly within the limits of any parking space if so marked.
- (5) (A) The driver of a vehicle shall not permit it to wait in a parking space that has been reserved by means of a sign or surface marking specifically for use by electric vehicles unless:
 - (i) that vehicle is an electric vehicle; and
 - (ii) as soon as it is reasonably possible to do so, that electric vehicle is connected to the electric charging post provided at that parking space for the purpose of the charging that vehicle's battery until immediately prior to it being taken away from that parking space.
- (B) At all times during which an electric vehicle is left at a parking space that has been reserved by means of a sign or surface marking specifically for the use by electric vehicles, the driver thereof shall cause that vehicle to be connected to a charging post relating to that parking space, via the charging lead attached to the charging post, and be actively charged.
- (C) An electric vehicle shall not be left in a parking space that has been reserved by means of a sign or surface marking specifically for the use by electric vehicles for a continuous period:-
 - (i) after the charging post indicates the battery of the electric vehicle is no longer being charged;
 - (ii) exceeding the maximum period of stay indicated on any sign adjacent that parking space.
- (6) Where there is a sign or notice in a parking area or parking space indicating that the use of that parking area or parking space is suspended, the driver of a vehicle shall not permit that vehicle to be left in that parking area or parking space.
- (7) Where, within a parking place, there is a sign or surface marking which indicates that a parking space or parking area or loading area is available only for a particular type or class of vehicle, or for use by a permit holder, no driver shall leave a vehicle in any such parking space or parking area other than of the type, class or for the use so specified.
- (8) A driver leaving a vehicle in a parking place shall not leave the vehicle for longer than the maximum period specified in Column 4 of the Schedule. This restriction shall only apply where the period specified in Column 4 is less than the duration of the charging hours specified in Column 2 of the Schedule.
- (9) A driver who has left a vehicle in a parking place for the maximum period for which vehicles may be left as specified in the last paragraph shall immediately remove the vehicle from the parking place and shall not permit the vehicle to

return to the parking place until the expiration of two hours from the time that vehicle was taken away from that parking place.

- (10) Subject to the provisions of this Order, a driver leaving a vehicle in a parking place referred to in the Schedule during the charging hours: -
 - (a) shall cause to be displayed at all times a valid ticket; or
 - (b) shall cause to be displayed at all times a valid permit; or
 - (c) shall cause to be displayed at all times a valid season ticket; or
 - (d) shall use the electronic parking charge payment system so that an indication that payment has been made and the parking period for which payment has been made appears on a hand-held device; or
 - (e) shall use a payment terminal which will transmit data to the electronic parking charge payment system so that an indication that payment has been made and the parking period for which payment has been made appears on a hand-held device.

5. Display of permits and tickets

- (1) At all times during which a vehicle is left in a parking place during the permitted hours and where required to do so by Article 4(10), the driver shall cause either a valid ticket or a valid permit or a valid season ticket issued for that vehicle, to be displayed in a conspicuous position on the vehicle on or adjacent to the inside of the front or front-side window of the vehicle, so that either:
 - (a) all the details on the side of the ticket which bears the date and time are clearly visible from outside the vehicle; or
 - (b) all of the details on the side of the permit which bears the permit number are clearly visible from outside the vehicle;

unless an indication that the applicable parking charge and service charge has been paid as may be ascertained by a record that exists in the electronic parking charge payment system confirming that the parking charge and service charge has been paid with respect to the vehicle; or

unless an indication that the applicable charge for a valid permit or season ticket has been paid as may be ascertained by telephone or on submitting the registration mark of the vehicle with a hand-held device and a response is received via the hand-held device that a record exists in the electronic payments system confirming that the charge has been paid with respect to a valid permit or season ticket for the vehicle

- (2) An issued ticket shall only be valid for the parking place at which it was issued and for the vehicle in respect of which it was purchased and shall neither be transferable to another vehicle nor to another parking place.
- (3) No person shall display on a vehicle left in a parking place referred to the Schedule during the permitted hours any ticket other than the ticket issued by the ticket machine relating to that parking place upon payment of the parking charge in respect of that vehicle.

- (4) No person shall after obtaining a parking ticket alter the indication given by that parking ticket whilst the vehicle to which the ticket relates remains in the parking place, or knowingly exhibit on a vehicle a parking ticket which has been altered, defaced, mutilated or added to or upon which the figures or particulars have become illegible except where such mutilation or illegibility has been produced by the ticket machine.

6. Parking charges

- (1) The parking charges for a vehicle left in a parking place specified in the Schedule during the charging hours shall, subject to Article 6(2) and Article 8, be those specified, in relation to a parking place, in Column 5 of the Schedule to this Order.
- (2) A service charge of a £0.20 shall apply where payment is being made using the electronic parking charge payment system.

7. Payment of parking charge

- (1) Except as provided in Article 8, the parking charge shall be payable on the leaving of a vehicle in a parking place referred to in column 1 of the Schedule to this Order at any time during the charging hours:-
 - (a) where a ticket machine is provided, by the insertion in the ticket machine relating to that parking place of the appropriate coin or combination of coins accepted by that ticket machine, together making up the amount of the parking charge for the parking period for which payment is being made; or
 - (b) where a ticket machine is provided which facilitates payment by credit or debit card, by the use of that facility, for the amount of the parking charge for the parking period for which payment is being made, subject to the minimum payment applicable; or
 - (c) by the insertion in the payment terminal (where a payment terminal accepting coins is provided) relating to that parking place of the appropriate coin or combination of coins accepted by that payment terminal, together making up the amount of the parking charge for the parking period for which payment is being made, subject to the minimum payment applicable; or
 - (d) where a payment terminal is provided which facilitates payment by credit or debit card, by the use of that facility, for the amount of the parking charge for the parking period for which payment is being made, subject to the minimum payment applicable; or
 - (e) by the use of the electronic parking charge payment system to pay the parking charge imposed by this Order for the parking period for which payment is being made, subject to the minimum payment applicable, by using a telephone or internet connected device, including at a cash payment network outlet, to communicate with the service provider at the time the vehicle is left in the parking place, in accordance with instructions indicated on signs located at the parking place.”

- (2) Upon payment of the parking charge in the manner specified in paragraphs (1)(a) and (b) of this Article, the driver shall display or cause to be displayed on the vehicle, in accordance with the provisions of the next following paragraph, the ticket issued by the ticket machine following payment of that parking charge.
- (3) The ticket referred to in the preceding paragraph of this Article shall be displayed on the vehicle in respect of which it was issued at all times during which the vehicle is left in a parking place referred to in column 1 of the Schedule to this Order during the charging hours, so that all the particulars on that side of the ticket which bears the indication that a parking charge has been paid and the date and time of expiry of the parking period, are readily visible from outside the vehicle and from the front or nearside of the vehicle.
- (4) In any case where payment of the parking charge as described in paragraphs (1)(a) and (b) of this Article has been made and a ticket has been issued by a ticket machine in respect of a vehicle left in a parking place referred to in column 1 of the Schedule to this Order that ticket shall not be transferred to another vehicle under any circumstance.
- (5) In the event of the only ticket machine or payment terminal or all ticket machines and payment terminals in a parking place being out of order at the time of the driver's arrival at the parking place, payment of the parking charge shall be made using the electronic parking charge payment system.

8. Exemption from the parking charge

- (1) The following vehicles left in a parking place shall be exempt from the payment of any parking charge specified in the Schedule provided that they are parked in a parking space or parking spaces expressly reserved for such vehicles by a sign or notice displayed at or adjacent to the said parking space or parking spaces:-
 - (a) an invalid carriage;
 - (b) a vehicle displaying in the relevant position a valid disabled person's badge;
 - (c) a pedal cycle;
 - (d) a motor-cycle;
 - (e) a vehicle being loaded or unloaded in the marked loading area at the Haydon's Road car park;
 - (f) an authorised vehicle being loaded or unloaded in the marked loading area of the Morden Park Car Park Extension;
 - (g) an electric vehicle being actively charged via the charging lead attached to the charging post relating the parking space or parking spaces.
- (2) Nothing in paragraph (1) shall prohibit an invalid carriage or a vehicle displaying in the relevant position a valid disabled person's badge from being left in any other parking space in the parking place.
- (3) Any vehicle waiting in a parking place in York Close Car Park:-

- (a) between 4.30pm and midnight Monday to Friday inclusive, and between midnight and 8.30am Tuesday to Friday inclusive and all day Saturday whilst displaying a resident's permit issued in respect of Controlled Parking Zone M1, where the permit has been issued to a resident of either York Close or Morden Court shall be exempt from paying the parking charge;
- (b) in parking spaces marked 237-243 and 245-246 inclusive whilst displaying a BW1 permit shall be exempt from paying a parking charge.

9. Season tickets and permits

- (1) The owner of a vehicle may make application to the Council for a season ticket for a charge specified in in paragraph 7 of this Article and that season ticket shall be valid in such parking place as is specified thereon and during the period for which it is issued.
- (2) The Council may issue permits allowing vehicles to be left in a parking place free of charge and/or free from the maximum period for which vehicles may wait as specified in column 4 of the Schedule and such a permit shall be valid at such parking places as are specified thereon and during the period for which it is issued.
- (3) A season ticket or permit issued in accordance with paragraph (1) or (2) of this Article shall be displayed on the vehicle in accordance with and in the manner specified in Article 5(1) and, as long as such ticket or permit is so displayed and remains valid, no further charge shall be payable by the driver of the vehicle so long as the vehicle is left in the parking place for which the season ticket or permit was issued.
- (4) No person shall after obtaining a season ticket or permit alter the indication given by that ticket or permit whilst the vehicle to which it relates remains in the parking place, or knowingly exhibit on a vehicle a season ticket or permit which has been altered, defaced, mutilated, copied or added to.
- (5) A season ticket or permit shall only be valid for the parking place for which it was issued and for the vehicle or by the user in respect of which or by whom it was obtained or purchased, and shall neither be transferable to another vehicle or user nor to another parking place.
- (6) The issue and availability of season tickets and permits shall be at the discretion of the Council and on such terms as the Council may from time to time determine.

10. Contravention

- (1) If a vehicle is left in a parking place specified in the Schedule at any time without complying with the provisions of this Order, then a contravention of this Order and a parking contravention within Part 1 of Schedule 7 to the Traffic Management Act 2004, shall be deemed to have occurred.
- (2) Where a vehicle is left in a parking place without complying with the provisions of this Order, the vehicle may be removed or caused to be removed from that parking place as provided for by Regulations made under section 99 of the Road Traffic Regulation Act 1984.
- (3) Subject to the provisions of this Order, if at any time while a vehicle is left in a parking place and no indication appears on a hand-held device that payment of the parking charge has been made using the electronic parking charge payment system, or an indication that the parking period for which payment was made has expired, it shall be presumed, unless the contrary is proved, that either:-
 - (a) the parking charge has not been duly paid in respect of that vehicle; or
 - (b) the parking period for which payment was made has already expired.

11. Restriction on removal of notices, tickets and permits

- (1) When a ticket or permit has been displayed on a vehicle in accordance with the provisions of Article 5(1) of this Order no person not being the driver of the vehicle shall remove the ticket from the vehicle unless authorised to do so by the driver.
- (2) Where a penalty charge notice has been attached to a vehicle no person not being the driver of the vehicle or a person authorised by the Council in that behalf shall remove the penalty notice from the vehicle unless authorised to do so by the driver.

12. Movement of vehicles left in parking places

- (1) If a vehicle is left in a parking place in a position other than in accordance with the provisions of Article 4, a person authorised by the Council in that behalf may alter or cause to be altered the position of the vehicle so that its position is in accordance with the said provisions.

- (2) For the purpose of meeting the requirements of an emergency, a person authorised by the Council in that behalf or a police constable in uniform may alter or cause to be altered the position of a vehicle in a parking place or remove or arrange for the removal of a vehicle from a parking place.
- (3) Any person altering or causing the alteration of the position of a vehicle by virtue of paragraphs (1) of this Article, or removing or causing the removal of a vehicle by virtue of paragraphs (2) of this Article may do so by towing or driving the vehicle or in such other manner as he may think reasonably necessary to enable the position of the vehicle to be altered or the vehicle to be removed.
- (4) Any person removing or arranging for the removal of a vehicle by virtue of paragraph (2) of this Article shall make such arrangements as they consider to be reasonably necessary for the safety of the vehicle in the place to which it is removed.
- (5) The foregoing provisions of this Article relating to the removal of vehicles shall be applied to and have equal effect for the purpose of removal of trailers, caravans, stalls or other mobile structures that are left in the parking place in contravention of Article 4.

13. Other provisions

- (1) The driver of a vehicle using a parking place shall stop the engine as soon as the vehicle is in position in that parking place, and shall not start the engine except when about to change the position of the vehicle in or to depart from the parking place.
- (2) No person shall use a vehicle, while it is in a parking place, in connection with the sale of any article (including the vehicle itself) to persons in or near the parking place or in connection with the selling or offering for hire of his skill or services.
- (3) The driver of a vehicle using a parking place shall not sound any horn or other similar instrument except when necessary for alerting another user of the parking place in order to avoid an accident.
- (4) Except with the permission of any person duly authorised by the Council, no person shall drive any vehicle in the parking place other than for the purpose of leaving that vehicle in the parking place in accordance with the provisions of this Order or for the purpose of departing from the parking place
- (5) In a parking place, no person shall:
 - (a) wantonly shout or otherwise make any loud noise to the disturbance or annoyance of users of the parking place or lawful occupants of premises in the neighbourhood;
 - (b) use any threatening, abusive or insulting language, gesture or conduct with intent to put any person in fear or so as to occasion a breach of the peace or whereby a breach of the peace is likely to be occasioned;

- (c) use any part of a parking place or any vehicle left in a parking place:-
 - (i) for sleeping or camping purposes;
 - (ii) for eating or cooking purposes;
 - (iii) for the purpose of servicing, washing, cleaning, constructing, maintaining or repairing any vehicle or part thereof other than is reasonably necessary to enable that vehicle to depart from the parking place; or
 - (iv) for washing any part of his person;
 - (d) loiter or remain without reasonable excuse in the parking place;
 - (e) erect or cause or permit to be erected any tent, booth, stand, building or other structure without the written consent of the Council; nor
 - (f) light or cause or permit to be lit any fire, stove or cooker.
- (6) Where in a parking place signs are erected or surface markings are laid for the purpose of indicating the entrance to or exit from the parking place, or indicating that a vehicle using the parking place shall proceed in a specified direction within the parking place, no person shall drive or cause or permit to be driven any vehicle.
- (a) so that it enters the parking place otherwise than by an entrance, or leaves the parking place otherwise than by an exit, so indicated; or
 - (b) in a direction other than that specified, as the case may be.
- (7) No person shall use a parking place as a means of vehicular passage proceeding from one road to another road or as a means of vehicular access from a road to an adjoining property without the written consent of the Council or unless in accordance with an agreement made by the Council.
- (8) Nothing in this Order shall apply to any vehicle being used for police, fire brigade or ambulance purposes.
- (9) No person shall, except with the permission of a person authorised by the Council in that behalf or in accordance with any consent or agreement with the Council or in an emergency under the direction of a police constable in uniform, drive or permit to be driven or park, or permit to be parked, any vehicle in a parking place for any purpose other than the purpose of leaving that vehicle in the parking place in accordance with the provisions of this Order or for the purpose of departing from the parking place or for the purpose of delivering bottles or cans or other recyclable materials for deposit in the Council's recycling facilities.
- (10) Nothing in this Order shall prevent the positioning in a parking place by the Council of containers for the deposit of empty bottles, cans or other items as may from time to time be agreed by the Council.
- (11) The driver of a vehicle using a parking place shall comply with any reasonable instruction given by a civil enforcement officer and shall where so requested park in a parking space indicated by the said officer.
- (12) No person shall empty or fill the fuel tank of any vehicle in a parking place except as is reasonably necessary to enable that vehicle to depart from the parking place, or cause or permit to wait in a parking place any vehicle leaking oil, petrol or other volatile or noxious substances.

- (13) Notwithstanding the provisions of this Order the Council may by notice displayed at or near a parking place close such parking place or part thereof for any period and no driver of any vehicle shall use such parking place or part thereof when it is so closed.
 - (14) If at any time in a parking place or places or area or areas there is displayed a notice that a particular place or places or area or areas is/are reserved for use by disabled drivers or for the leaving of motor cycles, and pedal-cycles, or for the purposes of loading or unloading no person shall leave a vehicle in any such parking place or such parking area other than for the purpose so specified.
 - (15) The driver of a motor vehicle using the Morden Park Car Park is not permitted to drive any vehicle without due care and consideration or in a manner likely to endanger any other person or at a speed in excess of 10 miles per hour.
 - (16) The driver of a motor vehicle is not permitted to drive that vehicle into the Morden Park Car Park extension immediately adjacent the western side of the Morden Leisure Centre unless:-
 - (a) the vehicle displays a disabled badge; or
 - (b) the vehicle is an authorised vehicle.
 - (17) Waiting is prohibited in the loading area in the Morden Park Car Park extension unless the vehicle is an authorised vehicle waiting for the purpose of loading or unloading for a maximum period of 20 minutes.
 - (18) Vehicles which display in the relevant position a disabled persons badge are prohibited from waiting in the Morden Park Car Park extension for more than three hours.
 - (19) No person shall cause or permit any vehicle, the overall height of which, together with the load (if any) carried thereon, exceeds 2 metres, to enter into the Queen's Road Car Park, the Morden Park Car Park, the Peel House Lower Car Park or the York Close Car Park unless authorised by the Council.
 - (20) No person shall cause or permit any vehicle, the overall height of which, together with the load (if any) carried thereon, exceeds 1.90 metres, to enter into the St Georges Road Car Park unless authorised by the Council.
- 14.** Where a vehicle has been left in a parking place or a car park without marked parking spaces and payment is made using the electronic parking charge payment system, an indication that payment has been made and the parking period for which payment has been made shall appear on a hand-held device.
